Claim No 592886 Of Perry Dixon Co. H Regiment, 30 USCT

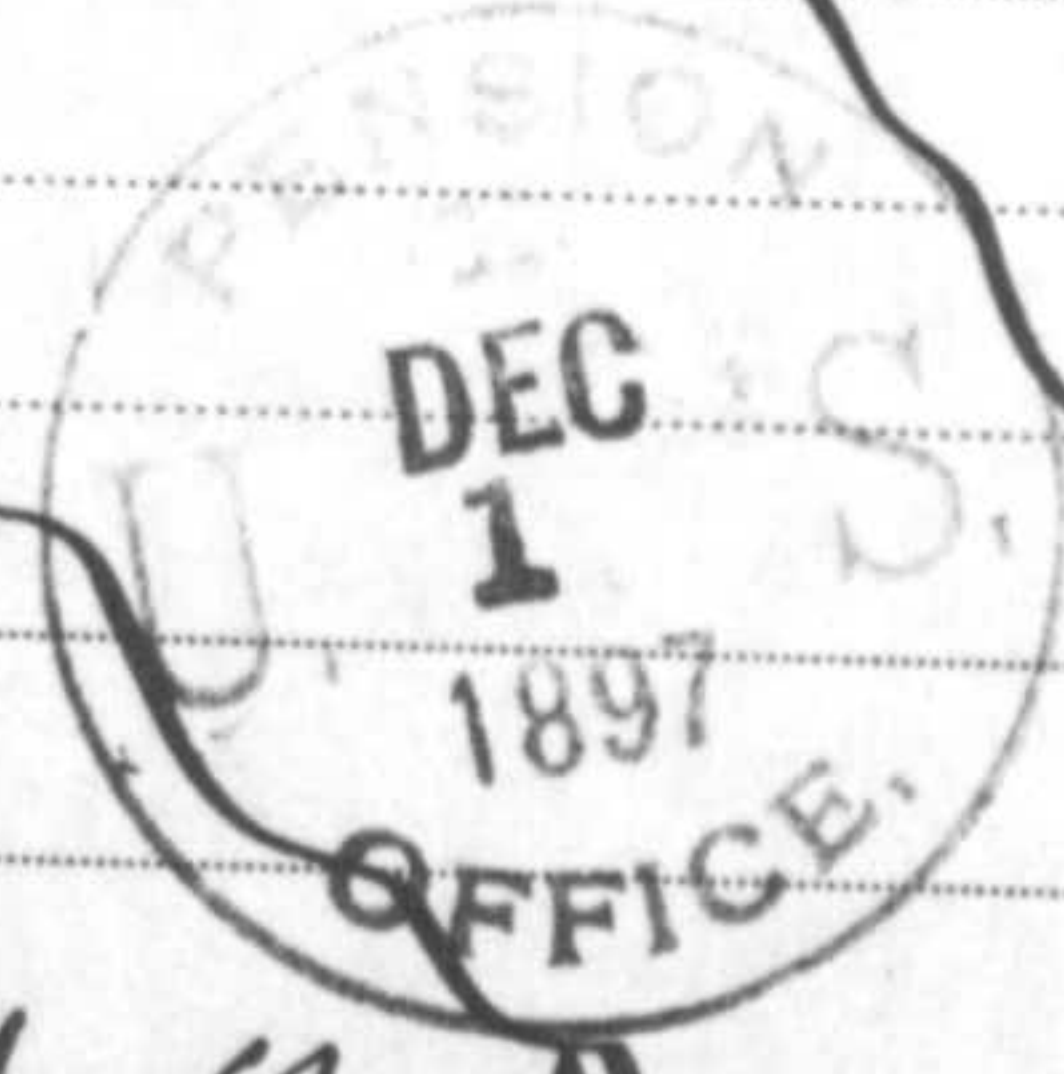

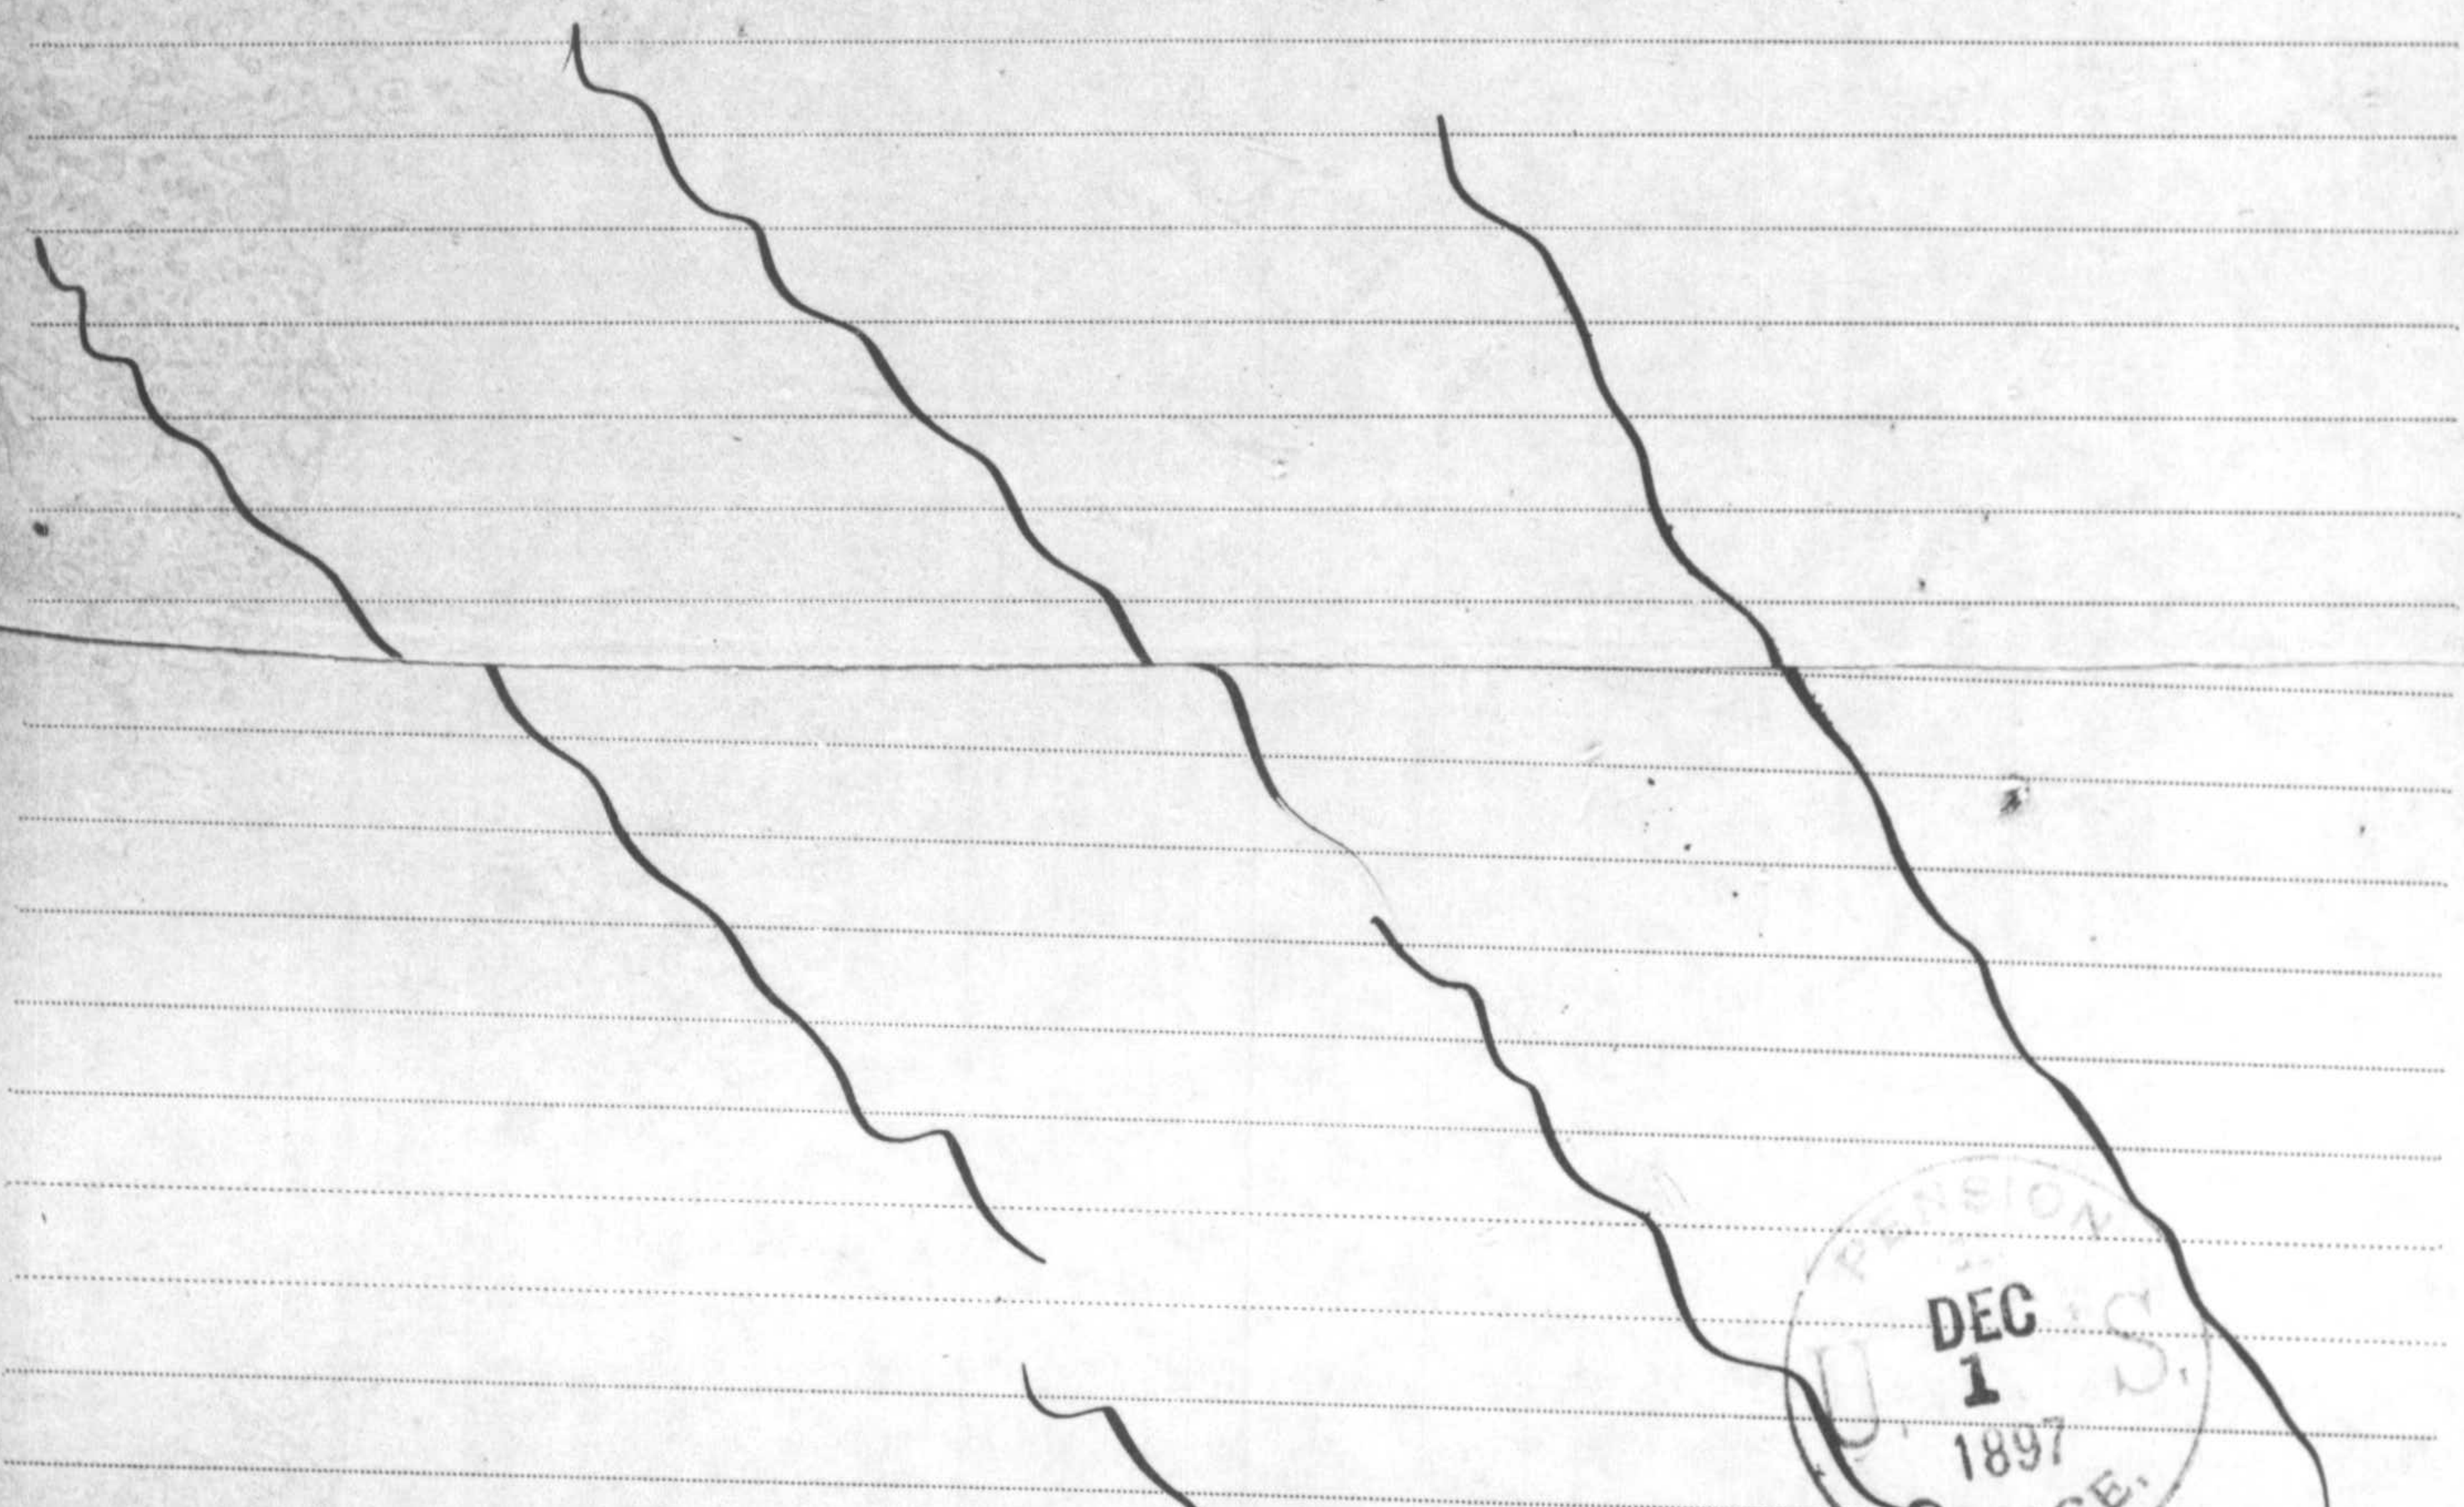

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

My name is J. K. Wiley, I am 54 years old, and I reside in Baltimore, Md., at No. [blank] Street. I have been a practitioner of medicine for 23 in Baltimore years and have been acquainted with the soldier, for about 5 years, and that

I attended Perry Dixon for Rheumatism the winter of 1893 & 1894. I have not attended him since.

(Here give a full diagnosis of the disabilities from which you find soldier now suffering, and for what period you have treated him. Be sure to state whether the disabilities are due to vicious habits and of permanent character, and the extent you find claimant disabled for manual labor in earning a support; i. e. 1/4, 1/2, 2/3 as the case may be. State all you know concerning the origin and continuance of the disability.)

I do not think his disease due to vicious habits. I do not know to what extent his disease prevents him from following his usual avocation as I have not seen him for two years past.

I have no interest in this claim."
