U. S. Pension Service

Gentlemen  
I have known the bearer, Perry Dixon a number of years, during which time he has been a great sufferer from Rheumatism, which has disabled him so much that he could not do anything to earn a living, in fact he has been in my employ & was compelled to give up & allow someone else to take his place.

When he is working, it is seldom he can stand a full day & I have only kept him for the sake of Charity.

I consider him a worthy subject for a pension from the government & hope he may be granted one.

Very respectfully  
Wm. L. Layfield

State of Maryland. Baltimore City.  
Subscribed and sworn to before me this 7th day of  
September 1895.
