

appeared Philip F Jones, who, being by me first duly sworn to

answer truly all interrogatories propounded to him, deposes and says I am 39 years

of age, I whitewash; reside and my city

address is 128 Richmond St.

I have known this client since 1872, I worked

with at whitewashing for about 17 years,

He has complained of some throat trouble

ever since I knew him, he says it is bronchitis,

I know he has a tickling in his throat which

causes a slight hacking cough, also causes

hoarseness, yes sir that has been his condition

ever since I knew him, I know he lost

time from work by reason of the above ailment

but I cant say how often or exact times

he is absent from work, No, I cant remember

of any other ailment of his, No, I know nothing

as to him having rheumatism, or any other ailment,

Yes, I think he did complain of sickness in

1873, he said it was a touch of the Pneumonia

his throat trouble existed before that, No, I cant

say as treatment of his, or as to his being

confined to his bed by reason of sickness,

I have understood your questions

and my answers have been properly

recorded
