

Department of the Interior,
Bureau of Pensions,

Washington, D. C., December 6, 1898

Mrs. *Katie Fry*,
170 1/2 Presstrain St.
Baltimore, Maryland.

Sir:

Before payment of pension can be made to you for the quarter ending December 4, 1898, you must appear and fully establish your identity as the ^{widow of the} soldier ... *Jesse Fry* ... who performed the service upon which pension under Certificate Number ... *411244* ... was allowed.

You will therefore appear before Special Examiner P. L. Cole, Room 2, Custom House Building, Baltimore, Maryland, and establish your identity as the soldier who performed the service upon which the pension is based.

This course is taken in lieu of having you appear in Washington for identification, thereby saving you the expense incident to a trip to this city.

Very respectfully,

Adel B. ...
Commissioner.
