from Rosetta. I guess he thought it
too much trouble to support her after she
took sick. He did not amount to much
anyhow. used to complain of rheumatism.
I am not related to Rosetta or interested
in her claim.

I understand your questions and
my answers are correctly recorded

Robt. Howe
James Ely

James F. Keyes
mk

Deponent.

Sworn to and subscribed before me this 12 day of Nov,
1891, and I certify that the contents were fully made known to deponent before signing.

James J. Ely
Special Examiner.
