Maria Stiles is dead, no others were present,
at the birth of Walter M, Annie Newnam
was present - she lives at the head of Fishing
Creek, Md, and members of my own family
at the birth of Gilly A - Dr Price Goldsboro
and Annie Newnam were present - and my
family were in the home.

My maiden name was Martha C. Anthony
I had not been married before my
marriage to the soldier.

The soldier had not been married before
his marriage to me.

I was married to the soldier Sept 15 - it
was 30 years ago - Sept 15 - last, in this County
If in my application the date will make it
29 years ago last Sept 15 - the error is in Mr
Strong's calculating - for he seemed very
much worried in making out my papers and
said he never had such a case in his life.

The soldier and I were never divorced,
I was married by Rev Ezekiel Stanley (dead) -
Moses Otter (Fishing Creek near Rock Church) - and
Eliza Anna Hany, near here, were both present
when I was married.

I have not remarried or lived in a dishonorable
cohabitation since the soldier's death.
