1 EXAMINING SURGEON'S CERTIFICATE 1

IN THE CASE OF AN ORIGINAL APPLICANT.

No. of Application, 411,576

State: Maryland County: Washington  
Post Office: Hagerstown Aug 31, 1881

Applicant's service.

I hereby certify That I have carefully examined James Hill, late a Musician Co. 1st Regt, Big U.S.C.

in the service of the United States, who is an APPLICANT for an invalid pension by reason of alleged disability resulting from rupture and wound in head

Degree of disability.

In my opinion the said James Hill is incapacitated for obtaining his subsistence by manual labor from the cause above stated.

Origin.

Judging from his present condition, and from the evidence before me it is my belief that the said disability did originate in the service aforesaid in the line of duty.

Probable duration.

The disability is

Particular description.

A more particular description of the applicant's condition is subjoined: Height, 5ft 8in; weight, 165; complexion, Black; age, about 45; pulse, 78; respiration, 18

Applicant alleges Rupture which I find no evidences of. No protusion at all - although he says "it comes down at times" - I do not ratify him. The wound in head is nothing but a slight scar - and can occasion no disability that I am able to detect
