DEPOSITION *N*Case of *Mary E. Moxley*, No. *368984*

On this *nineteenth* day of *September*, 188*7*, at
No 62 Front St. Hagastown, County of *Washington*
 State of *MD*, before me, *Wm. Hughes*, a
 Special Examiner of the Pension Office, personally appeared *Margaret*
Logan, who, being by me first duly sworn to answer
 truly all interrogatories propounded to her during this Special Examination of aforesaid
 pension claim, deposes and says: My age is *65 years* and P.O. address
 as given above

I am the widow of the late *William Logan* who
 was Postmaster of *Hagastown* from 1869 until the time of
 his death in 1878, and I was commissioned to succeed
 him and held the office for 4 years afterwards.

I knew the late *Joseph Moxley* by sight before he was
 in the army, but knew his brothers *Perry* and *Robert*
 well because they were older.

Joseph Moxley was home from the army for some
 time before I had much intimate knowledge of him, but
 Mr *Logan* employed him during his second term
 as Postmaster to do odd jobs about the house and
 stable and he continued in the employ of my late hus-
 band for about 4 years afterwards off and on.

He was never able to do hard manual labor while
 I had knowledge of him after he was in the army, but
 was able to scrub floors and wash windows and
 white wash fences and carry water to the other hands
 whom we sometimes employed in clearing up a piece
 of land of my own.

He complained of pain in his left side and would
 breathe with difficulty at times, like a child having
 the croup, but whenever he would hurry or be pushed
 at work he would breathe very heavy and
 like a man who was suffering from asthma
 and would say himself that he had "phthisis".

I also know of one occasion when he was
