

In. no. 842,
 Perry Moxley, m.
 1st Brigade Band

State of Maryland,
 County of Washington Jas.

Before the subscriber clerk of
 the Circuit Court for Washington Co. Md., personally
 appeared A. D. Bennett (ex-judge of Orphans Court) who
 being by me duly sworn deposes and says:

My age is 67 years; I have known Perry Moxley for
 30 years, - or longer; have frequently employed him, - and
 he has been under my notice more or less ever since the
 war. He is a man of excellent habits, and has no vicious
 habits; he formerly attended my horse, - and was driver for
 me at times, and I always regarded him as perfectly
 trustworthy - From my acquaintance and personal observation
 I would say that the disabilities from which he suffers
 are not the result of vicious habits -

This affidavit is written by James P. Matthews, in
 the office of the Clerk of the Circuit Court for
 Washington Co. in my presence and at my dictation -
 this 10th day of Feb-1896. I have no interest in this
 claim - My post-office address is Hagerstown,
 Md.

Also at same time appeared Perry Moxley, the claimant
 in above-mentioned case, - who being duly sworn deposes and
 says; The accident in which my right ankle was broken,
 occurred in this way; I was driving a hack for Williams & Krebs
