[NOTE — Affiants should state how they gained a knowledge of the facts to which they testify.]

Perry Moxley from 8 to 30 years re-
spectively. We remember when the
accident occurred to him. It is right
ankle was broken during the month
of October 1883 and it occurred on Wal-
ter Street, Stagerstown Maryland
Moxley was driving a hack along the
side of the Cumberland Valley rail-
road at the time on the above named
street when his horses became frightened
at the approach of a train. The horses
jumped aside and the hack was
turned suddenly around. Moxley
was thrown violently to the ground
striking the railroad rail with his
right ankle — the latter being broken
by the fall
