October 11, 1922.

Mrs. Mary F. Russum,
St. Francis, Maryland.

Madam:

Your above entitled claim under the Act of May 1, 1920, filed September 1, 1922, is rejected on the ground that you have no title to pension under said act for the reason that your marriage to the soldier was subsequent to June 27, 1905.

If you desire to complete the claim for the accrued pension due the soldier at date of his death, you should furnish the evidence indicated in the accompanying circular letter.

Very respectfully,

FMB-rhb

Commissioner.
