

G. M. SALTZGARR
Commissioner.

Very respectfully,

In your above-cited claim for pension, there is required a copy of the public record, under seal or oath, showing the date of the soldier's death; or if said death is not of record, you should so state, under oath, and furnish the affidavit of the attending physician, or sworn statements of persons present, showing the date of said death.

The sworn statements of two credible witnesses having personal knowledge of the facts should be furnished, showing whether you and the soldier were ever divorced, and whether you lived together as husband and wife up to the date of the soldier's death.

Witnesses should state their ages, post office addresses, means of knowledge and length of acquaintance. Do not fail to inscribe upon each piece of evidence filed the soldier's name, service and number of your claim.

Madam:
