

Attention is invited to the outlines of the human skeleton and figure upon the back of this certificate, and they should be used whenever it is possible to indicate precisely the location of a disease or injury, the entrance and exit of a missile, an amputation, &c.

The absence of a member from a session of a board and the reason therefor, if known, and the name of the absentee, must be indorsed upon each certificate.

Insert character and number of claim. Inc. Pension Claim No. 453,726.  
 [State above whether for original, increase, or restoration.]  
 Name and rank of claimant. Daniel Bruce., Rank, Pr.  
 Company D, 30 Reg't use Wash DC State,  
 Claimant's post-office address. 16 Wash St. [Post-office address of the Board.]  
 [Date of examination.] Sept 22, 1890.

We hereby certify that in compliance with the requirements of the law we have carefully examined this applicant, who states that he is suffering from the following disability, incurred

in the service, viz: Chen + rest dis heart - pain  
side + small of back. headache -

and that he receives a pension of Eight (8) dollars per month.

He makes the following statement upon which he bases his claim for Original, increase, restoration, &c.

Here give the claimant's statement as briefly and as compactly as possible.  
Rheum affects his knees shoulders + anast. has  
pain and stiffness. Starts thumps, and can't  
catch his breath. has continual pains in back  
and both sides, has headache all the time.

Upon examination we find the following objective conditions: Pulse rate, 120; respiration, 28; temperature, Normal; height, 5 feet 6 inches; weight, 165 pounds; age, 44 years.

Here give a full description of the disabilities, in accordance with pars. 5, 6, 51, 52, &c., of Book of Instructions for 1889.  
No swelling of joints but complain of pain  
reverses upon passive movement at both shoulders  
elbows + wrists. both knees + ankles.  
He also claims twinges from muscles of  
standing on left scapula + back. The heart  
extremely unstable and so irregular to make  
it difficult to count pulse. requires a  
great posture + physical exercise. left vent  
hypertrophied, with hard mitral regurgitation  
heard at both aortic + mitral openings  
musical movements to increase frequency of  
heart as to compare sounds + produce  
decided dyspnoea. pains in side + back  
of which applicant claims, as well as  
persistent headache are undoubtedly due to  
condition of heart.

He is, in our opinion, entitled to a 12 rating for the disability caused by Chen + dis heart + rest that caused by pain in small and back and side for that caused by headache

[Signature], Pres. C. A. Davis, Sec'y. J. J. [Signature], Treas.

N. B.—Always forward a certificate of examination whether a disability is found to exist or not.
