

have been on the "Clover". Haried was on the "Oriander" and Sarah on the "Wabash". Nor are objections tenable that claimant did not serve on the "Oriander" or "Wabash", where witnesses did. But they say they were old acquaintances before the war and served together in the 30th Regt. U. S. C. T. and in the Navy on receiving ship "New Hampshire", before each was transferred to his respective ship. Afterwards they all were in the same fleet and often visited.

I ask that the papers be carefully read and considered. Why not call for record of Thomas Sarah not Sarale as has been done.

Claimant can find no other comrades or shipmates to identify him. ~~or other~~ If not satisfactory why not have a Special Examination.

*Cl. now says that
that Sarah is a spy
pensioner. If so his
service can be learned
from reports therein.*
