

Surgeon
Third Division U. S. General Hospital.

Alexandria, Va. *December 2d* 1864.

I hereby certify that I have carefully examined *Private George Miller*
Co. *D*, 30. Regiment of *2d Col.* Volunteers who ap=
plies for a furlough, and find that he has *shell shock* wound of
left thigh. Received in action July 30. 1864
before Petersburg.

and believe that *Thirty (30)* days will elapse before the disability will be removed,
and that a change of climate is necessary. The number of furloughs in this Division
does not exceed the per=centage allowed by Regulations.

John Bonney
Surgeon U. S. Vols., in charge.
