Madam:

Relative to your claim for reimbursement in the case of George C. Miller, Inv. Ctf. #538,719, I have to advise you that itemized bills for physicians' services should be filed. Each bill should contain the name of the pensioner and show over the signature of the creditor by whom paid; or if unpaid, that you are held responsible for payment.

Very respectfully,

G. M. SALTZGABER.

Commissioner.
