

28 former husband. I understand the object of this examination
 29 and my privileges and will try to be present, but if not there
 30 you can proceed without me. I mean in this town. I do not
 31 expect to be present or represented at any examination held
 32 in Baltimore or elsewhere and waive all further notice. I do
 33 not care to be represented at the examination in Cambridge.
 34 I have no other witnesses to be seen, may think of some others
 35 before you leave town however. Your questions were understood
 36 and my answers are recorded correctly in this deposition which
 37 I have heard read.
