

appeared George Bryan, who, being by me first duly sworn to
answer truly all interrogatories propounded to him, deposes and says My Age 46 1/2 years
Postoffice address and Residence 421 New St
City. - I embarked on Sept 1863 on A. 7. U.S.C.T. Spt
and was discharged in fall of 1865. I knew Dorham
before service and I know there was something
the matter with him when he was with
the company but can't say now just what
The only time I can recall now of testifying
in his case was when I went with him down
to the Court House to identify him, but I don't think
he was doing a pension at that time
I have no knowledge of him having
incurred any injury to his legs ankles or
feet in service or since?
Q It seems to me that he did have something
happen to his limbs somehow in service
but just what it was I don't now remember
Since hearing you read that there is a joint
affidavit of myself and Edmund Burke about me
knowing Dorham to have injured ankle in service
I won't dispute that I made such an affidavit
and I have an indistinct recollection
of Dorham having had something the
matter with him but I don't now remember
what it was,
My answers are correctly recorded in this
deposition. - George E. Bryan
