

REPORT on of That a train out to prison 1888
Company I shall feel Connection the total
gratifying to you as me to ride out side
I have no means on the Bumper Wood
fencing them out on the Bumper as regards
General Bates was and they came and took
my general. Canal a flock of store wood
Oakman Capt and struck at me
Whittington Sargant I grabbed the black
Black

and argued them and
there they stood
The Corcoran
under which I received I asked the Connection
any injury and for Protection the
following I was on the said we will soon
saw and going first he to little York Pa
I was the only Col man and would try to
on the train there now give me protection
members of soldiers on they were drunk
the train they tried and I suffered
