We hereby certify that in compliance with the requirements of the law we have carefully examined this applicant, who states that he is suffering from the following disability, incurred

Cause of disability.

in the service, viz:

If a pensioner, fill in the amount; if not, erase the whole line.

and that he receives a pension of

dollars per month.

He makes the following statement upon which he bases his claim for

[Original, increase, restoration, &c.]

Here give the claimant's statement as briefly and as compactly as possible.

Rheum affects his knees shoulders & anast. has pain and stiffness. Heart thumps, and can't catch his breath. Has continual pain in back and both sides, has headache all the time.

Upon examination we find the following objective conditions: Pulse rate, *120*; respiration, *28*; temperature, *Normal*; height, *5* feet *6* inches; weight, *165* pounds; age, *44* years.

Here give a full description of the disabilities, in accordance with para. 5, 6, 51, 52, &c., of Book of Instructions for 1889

No swelling of joints but complaint of pain & stiffness upon passive movements at both shoulders. Elbows & hip joints. Both knees & ankles. He also claims to suffer from muscular pain extending over left scapula & back. The heart extremely unstable and so irregular to make it difficult to count pulse. Frequently out of position & physical exercises. Left ventricle hypertrophied, with hard mitral regurgitation murmur at both aortic & mitral openings hurried movements to increase frequency of heart as to compare sounds & produce decided dyspnea pain in side & back for which applicant claims, as well as persistent headache are undoubtedly due to condition of heart.

Rate for EACH cause of disability.

rating for the disability caused by

He is, in our opinion, entitled to a

by

thum + dis heart + back that caused by *pain in small back and side* for that caused by *headache*
