 a claimant ordered before a board finds less than a full board present,
 he may, if he desires, refuse to be examined and appear later before
 the full board. Should he be willing to proceed without a full board,
 the secretary of the board shall specify by name on the certificate of
 examination the members of the board present, and the applicant shall
 subscribe a certificate on the same paper as follows: "I, _____
 the applicant for (increase or original) pension referred to in this
 medical certificate, hereby consent to be examined by Dr. _____

 certificate the claimant will be held to have waived the privilege of
 the statute relative to examination by a full board.
