

28 to who is their father and asked her no questions on that
 29 point. She is a woman that does not let other people
 30 into her business. I can tell you nothing concerning
 31 the man Wilson that cousin Agnes is said to have married.
 32 I was a child at date of their marriage. In Baltimore I
 33 go to see Agnes steadily, sometimes as often as twice per
 34 week, and know that she has lived with no man in the
 35 relation of a wife or housekeeper or mistress. I have
 36 not lived in Baltimore ~~not~~ more than thirty one years. I
 37 have no financial interest in this pension claim.
 38 Agnes Mason has been married but the one time that I have
 39 ever heard and I believe I would know of any other marriage
 40 on her part if there was any. In Washington D C we lived
 41 in the suburban place Georgetown, in Stoddart street, in a
 42 little fram house that sat back in the yard and the father
 43 of Agnes rented a portion of the same house and Agnes was
 44 out in service and used to come in and out at home and
 45 was quite young at date of her marriage to Mr Wilson and I
 46 have heard that he came from Calvert county Md.
 47 I have heard the foregoing deposition read and it is correct.
 48 "Not" erased in line 36 before signing deposition.
