see them when they returned to Calvert county and set-
tled down on his place on Bens Creek in old Calvert.
Agnes gave birth to no children by James Wilson.

Q. How long did she live with him as his wife?

A. I couldnt tell you that. I took no notice of
their business and cant say how many weeks or months they
lived together and I do not know the cause of any separa-
tion between them though I know they did separate and
Agnes came up to Baltimore to live. I do not know
whether Jim Wilson and Agnes Wilson were ever divorced.

I had known James Wilson for several years prior to
his marriage to Agnes Mason though I cant fix it as to
just how many years I had known him. I knew his father
Mr Wilson but forget his christian name.

Q. Who was the first wife of James Wilson?

A. He was not married before his marriage to Agnes
Mason. I do not know whether Wilson has married any woman
or lived with any woman since he became separated from
Agnes as I never go about him when I am in Calvert.

Q. Has Agnes Wilson lived with any man as his wife
or mistress since her separation from James Wilson?

A. I do not know but I hav'nt seen anything like that.
I never knew one James Murray or that such a person ever
boarded at the house of Agnes Wilson or got her with chil-
dren, she has some children, two children, and I know
both of them but never have heard who was their father and
asked her no questions about them. Agnes is supported
by her labor as a cook or maid. I dont go to her house
often but see her at church and at our class meetings. I
have never called her Mrs Murray or any other Mrs except
Mrs Wilson. If people call her Mrs Mason it is because
they dont know it is her maiden name. I have no financial
interest in this claim and am not related to claimant.

I have heard the foregoing deposition read and it is correct.
