

28 by my daily labor as a cook for respectable white fami-
 29 lies. I had no children by the soldier James Wilson.
 30 I have been employed for the past six years by a Miss
 31 Doyle an old maid at 211 E Biddle st in Baltimore.
 32 I guess I was born in Calvert county Md, dont know the
 33 spot, and my parents were Israel Mason and Lizzie Mason,
 34 both deceased, and I have two living brothers, John
 35 Mason of Philadelphia Penn, dont know his occupation or
 36 address, he used to be a marble polisher, and Robert
 37 Gross of Anne Arundel county Md, a half brother, a far-
 38 mer, on the other side of Linthicum Heights Md, and one
 39 living sister, Georgianna Combash the wife of George Com-
 40 bash a porter in Chicago Ill, of 1237 Emerson street.
 41 I had known James Wilson several years prior to my mar-
 42 riage to him and he lived on the place of his father in
 43 Calvert county Md but I do not know the exact locality,
 44 it was at a place called Bens Creek, and his parents were
 45 James and Matilda Wilson, both deceased, and he has one
 46 brother and one sister living possibly, they are his half
 47 brothers and sisters, and I cannot give the name of the
 48 half brother though I saw him when I was a child, he must
 49 live in Calvert county, and the sister is Mary Wilson and
 50 I do not know her married name and have heard that she is
 51 living in Boston. I cannot name any comrades of James
 52 Wilson. He is a short black man medium in his build with
 53 black hair and eyes and some years older than I, he was
 54 73 years old at his death I have heard, and I recollect no
 55 marks or scars on his face or body and he was not disfig-
 56 ured or peculiar in any way. They know him like a book
 57 down in the country. He married me as a girl in Washing-
 58 ton City and took me to the country and stayed at home
 59 only three nights in the week from the start and was no
 60 doubt then keeping that other woman, and on the day that
 61 we separated he threw my trunk and other things out of
 62 doors and put me out and locked the door and went off to
