James Wilson,
H., U.S.C. Inf.

January 7, 1920.

Clerk of Court of Common Pleas,
Baltimore,

Sir:

In the above-entitled claim for pension, claimant and several witnesses testify that she married the soldier May 6, 1880, under the name of Annie Moore, while a verified copy of the record of your court shows that soldier married one Agnes Mason on that date.

Please furnish a statement showing whether an error was made in the date given in the copy of the record, or in the name of the wife, together with the correct date of soldier's marriage to each of his wives, Agnes Mason and Annie Moore, if of record.

This information is requested as a courtesy to the Bureau, there being no fund available which can be used in payment for the same.

An envelope, which requires no postage, is inclosed to cover your reply.

Very respectfully,

H. C. TIEMAN
