

New York May 23-1890

Sir:

In the original claim No. 576,473 of Nathaniel Hickman of Baltimore, Md. late private of Co. H. of the 4 W. I. C. Inf., I have the honor to report:

The papers came to me for the testimony of comrade Amos Robbins as to origin. His deposition is annexed.

In my opinion, from all the evidence in the case, the claim is meritorious and I recommend its admission.

Very Respectfully
B. R. Shopp
