

a minnie ball striking upon the head, at Johns Island S.C. July 9/64. —

That clut, was also wounded on night of Ft. Harrison Va. Sept 29/64. when on "Picket Line" ~~while in action.~~

I was struck upon the index finger of the right hand carrying away part of said finger.

That Affiant's knowledge of said facts was from being personally present at the time the wounds were received.
