DENY ENTERING INTO AGREEMENT

COAL MINERS' UNION IS THE STUMBLING BLOCK.

TO MEET GOVERNOR TODAY

Officials of the Coal Companies in Paint Creek Region Issue Signed Statements Declaring There Has Been No Proposition From the United Mineworkers Agreed to by the Employers—More Troops Withdrawn From Seat of Trouble.

Special Dispatch to The American.

Charleston, W. Va., March 24.—The discussion over the alleged tentative agreement between the United Mineworkers and the officials of the Paint Creek collieries, said to have been made in Philadelphia last Friday night, has reached the point where the ugly word is used. The report of the tentative agreement came from President John P. White, of the United Mineworkers, and Thomas Haggerty, also a United Mineworkers official.

Coal company officials, some of them holding minor positions in the Paint Creek Collieries Company, have issued signed denials that the higher officials of the Paint Creek Collieries Company have entered into any agreement with the union. Mr. Haggerty, in reply to questions, today repeated what he said yesterday about the agreement, and stated that President White would be here Tuesday and in the afternoon would have a conference with Governor Hatfield. Relative to this he said today:

"President John B. White, will reach the city at noon Tuesday and at 3 o'clock he will have a conference with Governor Hatfield, at which conference President White will submit to the Governor a concrete proposition looking to a settlement of the entire mining trouble. Until such proposition has reached the hands of the Governor it will be impossible to discuss its nature."

At Instance of Officials.

And Mr. Haggerty would not even intimate what the President's plan was. Despite the denial of minor officials of the Paint Creek Collieries Company and of other companies, it is definitely known that the meeting on Friday last at Philadelphia was at the instance of officials of the Paint Creek Collieries Company.

In a statement issued today by James H. Pierce, superintendent of the Paint Creek operations at Mucklow, that official says: "Relative to the current rumor that the Paint Creek Collieries Company has signed up the United Mineworkers of America I wish to say that the statement is entirely unfounded, although it appears over the signature of Thomas Haggerty."

The statement isued by the two coal associations—the Cabin Creek Coal Association, by President M. T. Davis, and the Paint Creek Coal Association, by Quinn Morton, president—is a bitter attack on the miners' organization. The statement declares the miners' organization is continuing their campaign of lawlessness and policy of misrepresentation to deceive the miners and the public. It declares the report that Theodore Roosevelt, W. J. Bryan and others are to be invited to speak in this state on Good Government as simply "trash."

This statement quotes from the report of the Mine Investigation Commission, in which the position of the operators in refusing to recognize the union, and that the average wage on Paint and Cabin Creek (nonunion) is fully equal to if not greater than that of the miners in the very limited number of unionized plants in the state.

"We find that the operators in this state are within their rights in declining to recognize a union which would place them in a helpless minority when joined to those of the four competitive states; and by the operation of the freight differential of 19 cents per ton to the lakes and other points would, all other conditions being equal, render them reasonably unable to find a profitable market for the 90 per cent. of their total output."

The statement also alleges that there are but 300 miners idle and that they are being paid to stay out of the mines by the United Mineworkers.

WILL OPPOSE MINERS' UNION.

"No statement has been or will be made by the operators on Paint and Cabin Creeks with the United Mineworkers," says the statement of the two coal associations, "and no threat to extend lawlessness in other regions of the state will effect the situation. We do not intend that our business shall be delivered into the hands of our competitors; and in the end the miners as well as the public will see that the greatest blow which could be dealt to the growth and prosperity of West Virginia would be to put the mine industry under the control of this hostile organization."

The statement also declares that the United Mineworkers is an unincorporated, irresponsible organization which does not keep its contracts. "It is an outlaw in its methods. It has made war on the state and is threatening further violence and destruction."

Company M, of Charleston, was sent home today and tomorrow Company H, of Huntington, will go home on orders of Governor Hatfield. This will leave three companies in the field. Officers ordered home in reducing the force and who were not attached to any company are: Captains J. C. Bond, A. L. Colebank, R. G. Beckwith, G. M. Ford and Francis T. Ridley and Lieut. Grover Rippetoe. The Governor, accompanied by members of the bribery investigation committee, will visit the military district tomorrow. The military commission today tried Paul Topson for throwing stones at a passenger train; Orrin Fisher, militiaman, for accidentally shooting and slightly injuring two prisoners, and C. F. Trump, militiaman, for stealing an overcoat belonging to the state.

Sunday Schools Hold Rally.

Special Dispatch to The American.

Hyattsville, March 24.—A largely attended rally under the auspices of the three Sunday-schools of the churches comprising St. Matthew's parish was held in Masonic Hall here yesterday, the services being in commemoration of the Resurrection. The Sunday-schools were in charge of Mayor Joseph K. Plant, St. John's, Mount Rainier; T. Howard Duckett, St. Luke's, Bladensburg, and Paul S. Herring, Pinkney Memorial, Hyattsville. Rev. Henry Thomas, rector of St. Matthew's parish, was master of ceremonies. Addresses were made by A. M. Chesley, secretary of the boys' department of the Washington Y. M. C. A., and J. Holdsworth Gordon, a Washington lawyer and active member of the Episcopal church of Washington. Miss De Shields presided at the piano. Every seat in the hall was taken and many stood throughout the service.

Robbers Break Into Armory.

Special Dispatch to The American.

Havre de Grace, Md., March 24.—The armory of Company K, First Infantry, M. N. G., was broken into on Sunday night. The robbers pried the wire screen off the window, broke the glass and entered. After scattering the furniture and company correspondence about the room, they broke the lock of the quartermaster's room, where the company's clothing, arms and general supplies are stored. The clothing, which had just been piled neatly on the shelves, was scattered and thrown in a heap. Just how much of the equipment is missing is not as yet known. The local authorities have been notified, and will try to apprehend the guilty parties.

ELECTION IN HAGERSTOWN

Democrats Retain Majority in the City Council.

Special Dispatch to The American.

Hagerstown, Md., March 24.—At the municipal election held here today the Democrats elected two out of three councilmen, while the proposition to purchase the interest of the Odd Fellows' lodge in the markethouse was carried in every ward. The vote was comparatively light, with the following results:

Ward 1—Startzman, Republican, 82; Differdall, Democrat, 103; Kretzer, Socialist, 5; for proposition, 113; against proposition, 22.

Ward 2—For proposition, 89; against proposition, 25.

Ward 3—Detrow, Republican, 231; Schueler, Democrat, 314; Anderson, Socialist, 15; for proposition, 314; against proposition, 91.

Ward 4—For proposition, 181; against, 23.

Ward 5—Lowman, Republican, 306; Hoelle, Democrat, 175; Wilkes, Socialist, 14; for proposition, 173; against 52.

As a result of today's election the Democrats retain control of the City Council by four to one, the two holdover councilmen of wards 2 and 4 being Democrats.

NAVY AVIATORS BACK

Return to Annapolis From Experiments in Cuba.

Special Dispatch to The American.

Annapolis, March 24.—The Collier Neptune, having on board four navy aviators, with machines and appurtenances, arrived at the aviation station here this morning and began disembarking the equipment at once. The corps has been at Guantanamo, Cuba, this winter conducting experiments in connection with the vessels of the Atlantic fleet.

Lieut. John H. Towers, who has had charge of the work in Cuba, was with the party on the Neptune and will direct the work here. The other naval aviators were Ensigns Victor G. Herbster, Godfrey DeC. Chevalier and P. N. L. Bellinger. Five machines of different types were brought on the Neptune.

Chaplain William G. Cassard, U. S. M., reported here today and on April 1 will relieve Chaplain Evan W. Scott as chaplain of the Naval Academy.

SCRIVENER'S INJURY FATAL

Was Assaulted by a Colored Man Last Saturday.

Special Dispatch to The American.

Hyattsville, Md., March 24.—Charged with fatally injuring Harry F. Scrivener, white, recently employed at the Ram's Horn, a roadhouse on the Bunker Hill, near Hyattsville, officers of Prince Georges county and Washington are trying to locate William Johnson, colored. The trouble that resulted in Scrivener's death took place Saturday evening on a car near the District line, and it is charged that Johnson threw the rock that struck Scrivener in the head, fracturing his skull.

After the altercation Scrivener went to his home in Sargent road apparently only slightly injured, but late yesterday afternoon his condition became serious. It was while on the way to the hospital that he died. The police learned that Saturday night when returning from Washington Johnson was taken ill on the car, and the conductor, with the assistance of Scrivener, ejected him. After the car had left a quarrel between Scrivener and Johnson resulted, and a stone alleged to have been thrown by Johnson struck the dead man in the head. Johnson was seen about the country as late as 5 o'clock Sunday afternoon, but he did not return to the farm of George H. Lanhardt, near Hyattsville, last night and has evidently disappeared.

CANNON FIRING CAUSES HAVOC

CRISFIELD DAMAGED FROM ATLANTIC FLEET'S BIG GUNS.

SHOW WINDOWS WRECKED

Concussion From Target Firing of Battleships Wrecks Chimneys and Cause Houses to Tremble on Their Foundations—Fish Industry Damaged and Spring Setting of Eggs Ruined—Damage in Lower Somerset County.

Special Dispatch to The American.

Crisfield, Md., March 24.—Crisfield awoke this morning to the roar of guns and the firing of cannon, when the big Atlantic fleet began its target practice in lower Chesapeake Bay off Tangier light. The heavy firing has continued throughout the day, and it is understood that the practice will last for several weeks. The concussion from the big guns has wrought havoc through the county. Windows have been smashed, chimneys knocked down and buildings have trembled on their foundations. Large show windows in the principal stores of Crisfield were wrecked this afternoon, the Crisfield Hardware Company and the drug firm of Hall, Atkinson & Co. being among the principal losers.

Crisfield fishermen claim that the fish industry is being greatly damaged, because the shock will kill all fish within a radius of many miles, and many watermen are afraid to pursue their daily occupation for fear they will get within the range of the guns.

Farmers from all sections of the county are pouring into Crisfield, with the claim that the chicken industry has been demoralized, it being stated that the concussion from the guns has killed the spring setting of eggs.

According to reported damages from all sections of the town and county, Crisfield and lower Somerset is suffering almost as much as if a real war were in progress. The old battleship Texas is being used as the target.

NO BLOOMERS IN YORK

Conspicuous Attire Too Much for the Mayor of That Town.

Special Dispatch to The American.

York, Pa., March 24.—Women who intend to dress in fashion in this city had impressed upon them today that there is a limit to which they can go in extreme styles.

When a blonde girl wearing red silk bloomers appeared on the streets advertising a theatrical performance the attention of the Mayor was called to the conspicuous attire. "Awful," exclaimed the Mayor, and he immediately had her placed under arrest and taken to her hotel, where she was told to don a skirt for her future promenades. The bloomer girl had a gaping throng at her heels.

Twenty-five Converts Immersed.

Special Dispatch to The American.

Westminster, Md., March 24.—Rev. John H. Gonso, pastor of Carrollton Circuit Church of God, baptized 25 candidates by immersion in a stream a short distance in the rear of Reese, a few miles from this city, yesterday afternoon. For several weeks Mr. Gonso has been holding revival services in Carroll Hall, this city, and 22 or those immersed are converts of those services. The baptismal service was attended by a throng of people variously estimated at from 500 to 700. The ceremony was witnessed with respectful silence by the spectators and perfect order was maintained.

Barn Destroyed by Fire.

Special Dispatch to The American.

Westminster, Md., March 24.—The barn of Aaron Green, near Gamber, was destroyed by fire this afternoon, with about 80 bushels of wheat, 10 tons of hay and some farm machinery. A large rick of fodder was burned. By hard work neighbors saved the residence and other outbuildings. A high wind was blowing, and the dwelling caught fire several times. There is an insurance of $600 on the barn and $300 on its contents.

Special Dispatch to The American.

Dover, Del., March 24.—Articles of incorporation were filed here at the State Department today for the Motor Car Sales Company, capital stock $25,000, to manufacture, buy, sell and deal in and with vehicle, engines, machines and all appliances for same operated by electricity or gasoline. Incorporators: Newton Gies, Accident, Md.; C. C. Frederick, Friendsville, Md., and G. M. Emory, Romney, W. Va.

Rev. John J. Parsons Accepts.

Richmond, Va., March 24.—The call to the pastorate of the Fairmount Avenue Baptist Church of this city has been accepted by the Rev. John J. Parsons, of Patchogue, New York, and he will arrive and enter upon his duties May 1. Rev. Mr. Parsons succeeds the Rev. William R. Burrell, who resigned to become financial secretary of the Children's Home Society of Virginia. The new pastor is 45 years old and a successful minister. Before accepting the charge at Patchogue three years ago he served churches in Florida for twelve years, going North on account of the Southern climate not agreeing with him. He is married and has two children.

RAISE $20,000 FOR NEW CHURCH

METHODIST EDIFICE AT HARRISONBURG COMPLETED.

ITS TOTAL COST WAS $60,000

Initial Services Held in Magnificent Structure Sunday Last—Dedication Will Not Take Place Until Debt Is Wiped Out—A Memorial Window to Rev. Dr. Cox—Priest and Minister Leave Harrisonburg for Other Fields of Labor.

Harrisonburg, Va., March 24.—The Harrisonburg Methodists yesterday held services for the first time in their magnificent new $60,000 church on South Main street, which has just been completed. Dr. John C. Kilgo, of North Carolina, preached in the morning on The Resurrection, and at night on Church Membership. At the morning services $20,147 was raised toward paying for the church, which will not be dedicated until the debt is wiped out. The official board presented the pastor, Rev. Dr. H. H. Sherman, with an elegant Hamilton gold watch. Dr. Sherman completes this week his fourth year at this charge.

A memorial window in honor of the late Rev. Dr. S. K. Cox, one of the most distinguished divines of the Baltimore Conference, was presented to the church by friends of that lamented minister. There are many other memorials in honor of prominent members of the past.

Ground was broken in June, 1911, and the building begun. In April, 1912, the contractor gave up his contract when the structure was about two-thirds finished. The building committee took charge soon thereafter and completed the work under their own supervision. The entire outlay, including the cost of the lot, building, organ, furniture and equipment will be more than $60,000.

The church is of Gothic architecture, 88 by 135 feet, with cut stone trimmings, a massive 90-foot tower at the northeast corner and two secondary towers. The roof is of slate with copper trimmings. The auditorium, which will seat from 450 to 500, has eight memorial windows and will be lighted with the most approved modern "eye-comfort" system, in which all of the lights are out of sight. The organ and choir space are behind the pulpit, and will accommodate about 30 singers. A large Estey pipe organ is used.

The Sunday school room is 48 by 42 feet, semicircular in shape, surrounded by classrooms, double-story, with various seating capacities from 15 to 75. In all there are 20 classrooms, besides pastor's study, choir-room and ladies' parlor. The total seating capacity of the Sunday school room and auditorium when thrown together is about 1,200.

The social hall is about 60 by 60 feet, having adjoining toilets, kitchen, serving-room, with range, steam table, closets, cupboards, table linen, table silver china, etc.

Rev. George F. Cook, who recently resigned the pastorate of the Harrisonburg Baptist Church, left this morning with his family for Luray, where he goes to take charge of the largest Baptist church in that town. Rev. Cook came to Harrisonburg over three years ago from Buchanan. He has added 58 members to the church and contributions have doubled. The Harrisonburg Baptists are looking for a new preacher.

Father Thomas Bernard Martin, of Harpers Ferry, W. Va., has been transferred to Staunton to act as assistant to Father William A. McKeefry, whose parish includes the Harrisonburg Catholic Church. Father Martin will conduct services here on April 6.

Hanging From Tree's Limb.

Special Dispatch to The American.

Richmond, Va., March 24.—The body of Henry, Briel, the retired butcher, 80 years old, who disappeared from his home on Kensington avenue, February 22, was found hanging from a tree in the woods east of Upham Brook, in Henrico county, this morning by D. C. Bailey and L. C. Terry, of South Laurel street, who were strolling through the woods on the farm of Mr. Broadus. Identification was made by the watch in his vest pocket. No reason is known for the aged man's act. His widow, who is 65 years old, is prostrated with grief.

Accused of Receiving Stolen Money.

Norfolk, Va., March 24.—Mrs. Chester Preston Dwyer was arrested here late today, charged with having received and concealed $2,020 alleged to have been stolen by her husband, from E. H. Gordon, assistant cashier of the Seaboard Airline Railway, in Portsmouth, 10 days ago. Gordon was hit on the head with a hammer, robbed and thrown unconscious into an abandoned ice box. Dwyer is now in jail in Portsmouth awaiting grand jury action. The stolen money has not been recovered.

OVER $2,000 SHORT

Richmond Hotel Auditor Charged With Theft of Money.

Special Dispatch to The American.

Richmond, March 24.—Charged in two warrants with a shortage of $2,275.19, William Jonathan Rowley, 43 years old, for the past three years auditor at the Jefferson Hotel, was arrested this afternoon at St. Elizabeth's Hospital, where he had been a patient during the past three weeks, suffering with blood poisoning in his leg. One warrant charged Rowley with the theft of $1,173.38, the receipts for January 6, 1912, and the other with the theft of $1,101.81 on January 7 this year. The prisoner swooned when the full purport of his arrest was realized. Tonight he is a patient in the hospital department of the City Jail, with a guard over him, as it was stated that he had threatened suicide a few days ago. It is stated that Rowley's total peculations will total $8,500, the hotel corporation being protected by a surety company.

Joseph E. Willard, president of the Jefferson Realty Corporation, made the following statement after Rowley's arrest. "A shortage in the accounts of William J. Rowley, auditor of the Jefferson Hotel, was recently discovered by the manager, who at once had the books carefully examined. The plan adopted was made possible by the holding back of checks to balance deposits withheld, and it proved temporarily successful, despite the careful daily checking of the hotel accounts and the expert audit of the books which is made every year. The official at fault was bonded with a surety company and it is not thought that the Jefferson will sustain any loss."

A. M. Cannon, agent of the National Surety Company, admitted this evening that Rowley was bonded by the company.

An orderly at the hospital claimed to have prevented Rowley from leaping from a window a few days ago, but it is not known whether he was delirious at that time or not. Rowley is an Englishman and was married about two years ago. His domestic life is said to have been happy. The auditor refuses to talk and his friends are wondering how he used the fruits of his peculations, as he was not known to dabble in the market. His preliminary hearing will be held as soon as his physical condition permits.

Aberdeen, Md., March 24.—Miss Agnes Bechtoldt, a daughter of Mr. and Mrs. Adam Bechtoldt, of Calvary, was married this evening to Mr. Alonza Bowman, a son of Mr. and Mrs. M. H. Bowman, of Level. The ceremony was performed at 7 o'clock at the Abingdon parsonage by Rev. Frank M. Thompson, of Calvary Methodist Episcopal Church. A supper at the groom's home followed the ceremony. The young couple will reside in Level.

Rev. J. T. Reeves.

Special Dispatch to The American.

Clarksburg, W. Va., March 24.—The body of the Rev. J. T. Reeves, a minister of the Methodist Episcopal Church South, who died here of acute indigestion shortly after arriving to take part in revival services, which began Sunday at the Emmanuel Church at Northview, was taken from this city to Roanoke, Va., his home. He was 65 years old.

WILL CUT OUT TOBACCO

York Farmers Find That the Crop Does Not Pay.

Special Dispatch to The American.

York, Pa., March 24.—Farmers here have decided to raise less tobacco and more potatoes during the coming season. They claim that they have not been given the encouragement they should have had, in consequence they will aid in reducing the crop. In many instances the farmers have cut it out entirely and will not raise any more tobacco at all, classing it as an unprofitable crop.

Nearly all of last year's crops are now in the shed and it looks as if it was going to sweat there instead of in the warehouse.

The farmers allege that they have been badly treated by the buyers and they do not intend taking another chance with them. Prices offered this year have been low. So very much so that it is likely that the crop will be sold directly to the manufacturer, cutting out the middle men entirely.

Robert Covington.

Special Dispatch to The American.

Culpeper, Va., March 24.—Robert Covington, one of the oldest settlers in this county and one of the most prominent and successful farmers of this section, died at his home near here this morning in the seventy-ninth year of his age.

TONSILINE

Really Does Cure

SORE THROAT

EVEN IF YOU HAD A NECK AS LONG AS THIS FELLOW AND HAD SORE THROAT ALL THE WAY DOWN

TONSILINE WOULD QUICKLY CURE IT.

TONSILINE We think this name a happy one. It almost tells its own story. You at once think of the tonsils. They are the most sensitive part of the throat. Throat troubles generally start with the tonsils, hence the name of our throat remedy—TONSILINE.

THE THROAT It is the gateway to the body. The air we breathe, the food we eat, and the water we drink, all pass through it. If this passageway is poisoned or diseased or infected with germs, the entire body soon absorbs the contagion. The slightest ailment of the throat is a danger signal. Think of it and you will realize that this is the commonest kind of common sense.

SORE THROAT Too many people imagine that a Sore Throat is only a simple little ailment. They think that it is something that comes today and is gone tomorrow. They neglect it. They put it off, thinking every day that it will be better tomorrow. Many a sad mistake has been made in this way. A Sore Throat is never a little ailment.

If every mother could realize the real danger that lurks behind every case of Sore Throat, she wouldn't rest until she had effected a cure every time a child has it. Your family physician will tell you it is a positive fact that every child with Sore Throat is in real danger of contracting Croup, Quinsy, Tonsilitis or Diphtheria and is not removed from that danger until the throat is cured. Sore Throat is a specific and well defined disease. It is the most common throat disease. That is why Tonsiline is specially prepared as a Sore Throat Cure. That is why nearly all our talks are about Sore Throat and the fact that Tonsiline cures it so surely and quickly.

A Letter From the Superintendent of The Chicago Industrial Home For Children.

Dear Sirs:—Just of late I have had occasion to use Tonsiline in my family for my wife, my daughter and myself. We have had severe colds and very sore throats. We found, by using your remedy, Tonsiline, almost instant relief and, by taking a few doses, a permanent cure. We are all highly pleased with the remedy.

48 Lexington St., Chicago, Ill. J. D. KELSEY.

CURES ALL THE WAY DOWN.

The Tonsiline Co.,

Gentlemen:—I would say we have used Tonsiline with the greatest satisfaction in the family, both with the children and myself for Sore Throat and I believe that if the neck was twice as long as the one in the picture and sore all the way down, Tonsiline would cure it.

Yours truly,

Scranton, Pa. G. S. PELLETT.
