Baltimore Friday May 27/64
The Board met at 10 O'clk A.M. - read
and approved the proceedings of yesterday
as recorded.

Many claims were received
for filing.

The vouchers of John Somerville,
were received and forwarded to Washington.

Letters from W. J. Clarke and others
were received and answered.

The Board continued the exami-
nation of claims for award, and found very
many of the papers defective. Much of
the time is necessarily occupied in pointing
out errors, and correcting discrepancies,
interfering to a great extent, with the prog-
ress of the Board.
