WILLIAM STEVENS.
Centreville, Nov. 5th 1832.

A CARD:

Doctor Robt. Wright having returned to his farm, head of Wye, offers his professional services to the public,
Nov. 5th 1832.

Swaim's Panacea,

FOR THE CURE OF

Scrofula or King's Evil, Syphilitic and Mercurial Disease, Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, General Debility, and all diseases which originate from impure blood or indiscretion of Youth, and where the constitution has been broken down by the use of Mercury, Arsenic, Bark or Quinine, &c, and most internal diseases where the Lungs and chest are supposed to be affected, &c.

In order to make fully known in what estimation Swaim's Panacea is held by the medical profession the proprietor subjoins certificates from gentlemen who in their private as well as public characters aes deservedly ranked among the most scientific of the profession. The public as well as the proprietor of the Panacea owe much gratitude to the gentlemen who have thus testified in its favour—their recommendations have occasioned its use in various cases of inveterate corruption of the blood, descending to the second generation which otherwise would have destroyed valuable lives. Their humanity and disinterestedness in promoting the currency of a medicine found to be of such great benefit to the human race without regard to its original ownership claims the grateful admiration of a beneficent public.

This medicine has the singular fortune a just tribute to its great merit, of being recommended by the most celebrated practitioners of medicine in the United States and elsewhere; whereas not one of the spurious mixtures made in imitation of it has the least support from the medical faculty. This fact offers an argument so plain and conclusive that it needs only to be mentioned to enforce conviction.

The false reports concerning this valuable medicine which have been so diligently circulated by certain Physicians must have their origin either in envy or in the mischievous effects of Spurious Imitations—I leave the public to judge for themselves.

I pledge myself to the public and give them the most solemn assurances that this medicine does not contain mercury in any form whatever.

CERTIFICATES

From Dr. N. Chapman professor of the Institute and of Physic and Clinical Practice in the University of Pennsylvania, President of the Academy of Medicine of Pennsylvania, &c.

I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers which having resisted previously the regular modes of treatment were healed by the use of Mr Swaim's Panacea, and I do believe from what I have seen, that it will prove an important remedy in scrofulous, venereal and mercurial diseases.

N. CHAPMAN, M. D

From Dr. W. Gibson Professor of Surgery in the University of Pennsylvania, Surgeon and Clinical Lecturer to the Alms House, Infirmary &c.

I have employed the Panacea of Mr. Swaim, in numerous instances within the last three years, and have always found it extremely efficacious, especially in secondary syphilis and in mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.

W. GIBSON. M. D.

From Doctor Valentine Mott Professor of Surgery in the University of New York Surgeon of the New York Hospital &c

I have repeatedly used Swaim's Panacea both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic, syphilitic, and scrofulous complaints and in obstinate cutaneous affectsion VALENTINE MOTT, M.D

CAUTION TO PURCHASERS.

☞ Swaim's Panacea, is in round bottles, fluted longitudinally, with the following words blown in the glass:—

The medicine may consequently be known to be genuine when my signature is visible: to counterfeit which will be punishable as forgery.

The public are cautioned not to purchase my Panacea except from myself, my accredited agents, or persons of known respectability, and all those will consequently be without excuse who shall purchase from any other persons.

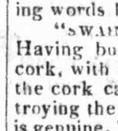

The GENUINE PANACEA may be had wholesale and retail at the proprietor's own prices of HENRY PRICE—— Sole Agent for Baltimore at the corner of Baltimore and Hanover streets.
