ROBT. WRIGHT, jr.
SAML. S ROBINSON

Price Two Dollars per Bottle.

TO THE PUBLIC.

IN consequence of the numerous frauds and impositions practised in reference to my medicine, I am again induced to change the form of my BOTTLES. In future, the PANACEA will be put in round bottles, fluted longitudinally, with the following words, blown in the glass, "SWAIM'S PANACEA—PHILADA." as represented above.

These bottles are much stronger than those heretofore used, and will have but one label, which covers the cork, with my own signature on it, so that the cork cannot be drawn without destroying the signature, without which none is genuine. The medicine may consequently be known to be *genuine* when my *signature* is visible: to counterfeit which will be punishable as forgery.

The *increasing demand* for this celebrated medicine has enabled me to reduce the price to Two Dollars per bottle, thus bringing it within the reach of the *indigent*.

My Panacea requires no encomium ; its *astonishing effects* and *wonderful operation* have drawn, both from *Patients and Medical Practitioners of the highest respectability*, the most unqualified approbation, and established for it a *character* which *Envy's pen* though *dipped in gall*, can never *tarnish*.

The false reports concerning this valuable medicine, which have been so diligently circulated by certain Physicians, have their origin either in *envy* or in the mischievous effects of the *spurious imitations*.

The proprietor pledges himself to the public and gives them the most solemn assurances, that this medicine contains neither mercury nor any other deleterious drug.

The public are cautioned not to purchase my Panacea, except from myself, my accredited agents, or persons of known respectability; and all those will consequently be without excuse, who shall purchase from any other persons

WM. SWAIM,

No. 221, Chesnut street. Philad.

From Dr. Valentine Mott, professor of Surgery in the University of New-York, Surgeon of the New-York Hospital, &c.

I have repeatedly used Swaim's Panacea, both in the Hospital and in private practice, and have found it to be a valuable Medicine in Chronic, Syphilitic and Scrofulous complaints and in obstinate cutaneous affections,

VALENTINE MOTT, M. D.

Certificate from Samuel Mason, formerly Steward of the Pennsylvania Hospital for thirteen years.

Respected Friend--I lately had an opportunity of looking over a book published by thee containing an account of cures performed by the Panacea and a number of the most respectable certificates proving its valuable efficacy. Four cases of which came fresh to my recollection, viz. Robert Ryan,* Ruth C. Tregomaine† Owen Laughlin,‡ and Michael Anderson§ They were all cases that excited commiseration, and were considered hopeless and incurable. Robert Ryan was about six years in the Hospital, was under the care, during that time, of all the eminent surgeons of that institution, who tried every means they could devise to cure him but in vain. He finally took his discharge, put himself under thy care, and in a short time was restored to health and soundness. He was afterwards employed as gatekeeper. Concerning R. C. Tregemaine, Owen Laughlin, and Michael Anderson, I having opportunity of seeing them daily ; beholding their emaciated appearance; their debility becoming daily more apparent; their ulcers growing larger and more obstinate: that I had not the least expectation of their recovery. The two former were permitted to take thy Panacea in the Hospital, by the surgeon then in attendance, and the latter took his discharge in order to receive the benefit thereof and were all restored to their usual health and strength. Should the above statement be in any degree gratifying to thee, I feel a pleasure in giving it.

With respect and esteem, I remain thy friend, SAMUEL. MASON,

Late Steward of the Pennsylvania Hospital.

From Gilbert Robertson, Esq. British Consul.

*I certify, that Michael Anderson, a British seaman, was sent to the Pennsylvania Hospital by my orders, and after remaining there for fourteen months, during which time he was in a miserable state, and the report I received from the steward of the Institution declared him incurable, he was then removed to private lodgings, and Mr. Swaim voluntarily offered his services, and by the application of his Panacea the man recovered, and I sent him home to England in good health.
