

the performance of a sacred duty by the President, who had ordered the name of Randolph to be struck from the rolls of the Navy, for a pecuniary defalcation and for other misconduct.

EIGHT DAYS LATER FROM ENGLAND

London papers to the 1st April, and Liverpool to the 2d, are received. The most important news is from Portugal; the report received in this country, from Lisbon, of Don Miguel's forces having been repulsed before Oporto, proves to be correct.—Don Pedro's situation on the whole is no worse, and may be considered rather better. The Paris papers say that the Russian fleet had not sailed from the Bosphorus. Some of the papers again affirm that a large portion of the Egyptian army has marched into Smyrna, and it was added that the greatest alarm reigned in the councils of the Porte, and new military preparations had been ordered. Admiral Rousin however had assured the Sultan that Ibrahim's progress would be checked as soon as the convention lately signed with the Admiral should become known to the Egyptian Commander.

Accounts from Constantinople have been received down to the 3d of March, by which it does not appear that the difficulties between the Sultan and Ibrahim had been adjusted. The Irish coercive bill, after a long debate on every provision, had passed the House of Commons and was carried up to the House of Lords on Saturday the 30th where it was ordered to be taken up on Monday the 1st of April. The affairs with the Dutch are apparently no nearer a close than they were six months ago.

From a letter given below, it will be seen, that the Democrats of Connecticut have elected their candidates for Governor and Lieutenant Governor, by triumphant majorities in the State Legislature.

HARTFORD, May 24, 1833.
Dear Sir—There having been no election of Governor and Lieutenant Governor by the people, the two Houses of the Assembly met and went into joint ballot to-day, which resulted in the choice of Henry W. Both the gentlemen elected were the regular democratic candidates, and are decided friends of the National Administration.

PROLIFIC VINE.

We hereby certify that we have counted the bunches of Grapes, this day, that are on John Willis' Grape Vine, of seven years growth, as accurately as we could, and having made allowance for good count, we find on it fifty thousand four hundred and ninety bunches, besides many more young ones appear to be coming out; and we are fully of opinion we have, by the rule we went by, allowed at least three thousand for good count, that are already in sight. No young growth that had not more than two bunches on it was counted, and we think at least one third are double bunches, and only counted as single bunches.

TREASURY DEPARTMENT.

April 12th, 1833. In the late conflagration of the Treasury building nearly all the correspondence of the Secretary of the Treasury, from the establishment of the Department to the 31st of March, 1833, was destroyed including as well the original letters and communications addressed to the Secretary of the Treasury, as those of the letters and communications written by him. With a view to repair the loss, as far as may be practicable, all officers of the United States, are requested to cause copies to be prepared and authenticated by one of any letters excepting those heretofore alluded to which they may at any time have written to, or received from the Secretary of the Treasury; and all those who have been in office, and other individuals throughout the United States, and elsewhere, are invited to do so. That this correspondence may be arranged into appropriate books, it is requested that it be copied on folio paper, with sufficient margin on all sides to admit of binding, and that no more than one letter be contained on a leaf. It is also requested, that the copies be written in a plain and distinct or grossing hand. When the original letter can be spared, it would be preferred. The reasonable expense incurred in copying the papers now requested not exceeding the rate of ten cents for every hundred words, will be defrayed by the Department.

The correspondence which has been saved, and of which, therefore, no copies are desired, are the records of the letters written by the Secretary of the Treasury to Presidents and Cashiers of Banks, from the 1st October, 1819, to the 30th of February 1833; all the correspondence relating to the Revolutionary claims under the act of 15th May, 1828, and to claims of Virginia officers to half pay, under the act of 5th July, 1832; and to applications for the benefits of the acts of the 2d March, 1831, and 14th July, 1832, for the relief of certain insolvent debtors of the United States. Copies of some circular letters and instructions, written by the Secretary and before a copy be made of any circular letter or instruction, written by the Secretary of the Treasury, the date and object of the circular be first stated to the Department, and its wishes on the subject ascertained. **LOUIS McLANE,** Secretary of the Treasury. April 26—30 To be inserted three times a week for three months in the papers authorized to publish the laws of the United States.

MARYLAND ECLIPSE.

The thorough bred horse **Maryland Eclipse**, will be let to mares this spring, at the stands of Centreville and Easton, at the sun of twenty dollars the season, fifteen dollars the single leap, twenty five dollars to insure with foal, and fifty cents to the groom. The single leap, payable before the mare goes to the horse, the season at its close, and the insurance as soon as it is ascertained the mare is in foal. If the mare be sold, the person putting her to the horse will be held liable for the amount of insurance. The season will commence on the first day of April next at Centreville, where the horse will remain during the week, and on Monday following at Easton, and remain there also a week, and then alternate at Centreville and Easton, a week at each place during the season, which will close on the first of July.

ECLIPSE is a dark chestnut sorrel, near 16 hands high, nine years old this Spring, and possesses great strength and beauty; his colts are remarkably large and fine, and those upon the turf give evidence of great speed, as yet however, few have been trained, the oldest of his colts, being only three years old last season. One of his colts bred by the proprietor and sold to a gentleman in N. York, was trained and tried last season, and proved to be a successful racer, running her mile in one minute and fifty one seconds, both heats, and beating four others, with great ease. **Eclipse** was trained for the first time, and ran in the Spring of 1830, (being the two preceding years on the stand as a Stallion) in the State of New Jersey, a mile and repeat, and won with great ease, beating three other horses; he was afterwards carried to Poughkeepsie, and entered against the celebrated race horse **Sir Lovel**, and although beaten, yet it is said, this race was run in as short, if not a shorter time, with the same weight, than was ever run in the United States, the first heat was run in 3 minutes 57 seconds, and the second heat in 3 minutes 46 seconds, two miles and repeat.—**Sir Lovel** after this race, was taken to New York, and matched against **Mr. Johnson's** celebrated race mare **Arietta**, (which had a short time before beaten **Arietta** two miles, in a match for \$5000) **Sir Lovel** distanced **Arietta** the second heat in 3 minutes 42 seconds, thereby proving that **Eclipse** was a better racer than **Arietta**. After the race at Poughkeepsie, **Eclipse** was turned out and trained in the fall following, and gave greater promise of speed, than on his first trial, but in his exercises received an injury in one of his sinews, and was withdrawn from the turf without further trial. Subjoined is the Certificate of the gentleman who trained him, and voluntarily tendered:

Coll's Neck, New Jersey, Nov. 30, 1830: I certify that for the last thirty years upwards, I have been in the yearly practice of training race horses, and have had in my possession, some of the reputed best horses in the country; for the last year I have had **Maryland Eclipse**, with others under training exercise, and give it as my opinion that for any distance I have tried him, which was never more than two miles, he is the fastest horse I have ever trained. (Signed)

JOSEPH K. VAN MATER. The original Certificates of his performance at Poughkeepsie (where he ran) from the Secretary of the Club, and of **Mr. Van Mater**, are in the possession of the proprietor, and can be seen upon application.
