

POETRY.

The following touching and very beautiful stanzas are a last tribute of Poetry and Affection to a lovely and beloved child, recently called from scenes and associations hallowed by every tie of love and fondness, to a "closed walk with God."

THE EARLY DEAD.

Too bright, too beautiful for earth, Was she who gladdened every heart! The blessed sunbeam of each heart,

Mother of her our loved and dead, Though may a fair plant round thee bloom; Long will thy bitter tears be shed,

Father! rejoice that once thou'st called So rich a treasure all thine own— Rejoice, 'e'en though by cares enthrall'd,

Sisters, at noon and eve who'll miss, As weari'd from you halls ye come, Her bounding step, her playful kiss,

Brothers! it seemed a darkened hour When from this world your playmate pass'd! When on each tree and bursting flower

The following beautiful lines were found in the pocket of a clergyman, who was instantly killed by a fall from his horse, at Bath, Eng. land.

What dost thou, oh! wandering dove, From thy home on the rock's riven breast? The far, but the falcon is wheeling above,

What dost thou, oh! wandering dove, From thy home on the rock's riven breast? The far, but the falcon is wheeling above,

What dost thou, oh! wandering dove, From thy home on the rock's riven breast? The far, but the falcon is wheeling above,

MARYLAND ECLIPSE. The thorough bred horse Maryland Eclipse, will be let to mares this spring, at the stands of Centreville and Easton, at the son of twenty dollars, the season, fifteen dollars the single leap, twenty five dollars to insure with foal, and fifty cents to the groom. The single leap, payable before the mare goes to the horse, the season at its close, and the insurance as soon as it is ascertained the mare is in foal. If the mare be sold, the person putting her to the horse will be held liable for the amount of insurance. The season will commence on the first day of April next at Centreville, where the horse will remain during the week, and on Monday following at Easton, and remain there also a week, and then alternate at Centreville and Easton, a week at each place during the season, which will close on the first of July.

ECLIPSE is a dark chestnut sorrel, near 16 hands high, nine years old this Spring, and possesses great strength and beauty; his colts are remarkably large and fine, and those upon the turf give evidence of great speed, as yet however, few have been trained, the oldest of his colts, being only three years old last season. One of his colts bred by the proprietor and sold to a gentleman in N. York, was trained and tried last season, her mile in one minute and fifty one seconds, both heats, and beating four others, with great ease. Eclipse was trained for the first time, and ran in the Spring of 1830, (being the two preceding years on the stand as a Stallion) in the State of New Jersey, a mile and repeat, and won with great ease, beating three other horses; he was afterwards carried to Poughkeepsie, and entered against the celebrated race horse Sir Lovel after this race, was taken to New York, and matched against Mr. Johnson's celebrated race mare Arietta, (which had a short time before beaten Ariel two miles, in a match for \$5000) Sir Lovel distanced Arietta the second heat in 3 minutes 48 seconds, thereby proving that Eclipse was a better racer than Arietta. After the race at Poughkeepsie, Eclipse was turned out and trained in the fall following, and gave greater promise of speed, than on his first trial, but in his exercises received an injury in one of his sinews, and was withdrawn from the turf without further trial. Subjoined is the Certificate of the gentleman who trained him, and voluntarily tendered:

THE original Certificates of his performance at Poughkeepsie (where he ran) from the Secretary of the Club and of Mr. Van Mater, are in the possession of the proprietor, and can be seen upon application.

TREASURY DEPARTMENT. April 12th, 1833. IN building nearly all the correspondence of the Secretary of the Treasury, from the establishment of the Department to the 31st of March, 1833, was destroyed including as well the original letters and communications addressed to the Secretary of the Treasury, as the records of the letters and communications written by him. With a view to repair the loss, as far as may be practicable, all officers of the United States, are requested to cause copies to be prepared and authenticated by them, of any papers excepting those heretofore alluded to which they may at any time have written to, or received from the Secretary of the Treasury; and all those who have been in office, and other individuals throughout the United States, and elsewhere, are invited to do the same. That this correspondence may be arranged into appropriate books, it is requested that it be copied on folio foolscap paper, with sufficient margin on all sides to admit of binding, and that no more than one letter be contained on a leaf. It is also requested, that the copies be written in a plain and distinct or engraving hand. Where the original letter can be spared, it would be preferred. The reasonable expense incurred in copying the papers now requested not exceeding the rate of ten cents for every hundred words, will be defrayed by the Department.

The correspondence which has been saved, and of which, therefore, no copies are desired, are the records of the letters written by the Secretary of the Treasury to Presidents and Cashiers of Banks, from the 1st October, 1819, to the 30th of February 1833; all the correspondence relating to the Departmentary claims under the act of 15th May, 1828, and to claims of Virginia officers to half pay, under the act of 5th July, 1833; and to applications for the benefits of the acts of the 2d March, 1831, and 14th July, 1832, for the relief of certain insolvent debtors of the United States. Copies of some circular letters and instructions, written by the Secretary have also been preserved, and it is requested that before a copy be made of any circular letter or instruction, written by the Secretary of the Treasury, the date and object of the circular be first stated to the Department, and its wishes on the subject ascertained. LOUIS McLANE, Secretary of the Treasury. April 26—30 To be inserted three times a week for three months in the papers authorized to publish the laws of the United States.

MONEY FOUND. A Negro Man came into the Store of Robert R. Ross, this morning, and requested me to change a ten dollar note, which I did. He then stated that he would return again and purchase a pair of pantaloons. He soon returned, selected a pair, and in payment therefor, gave me a Bank note of a denomination calculated to excite suspicions that he had not come honestly by the money; I questioned him concerning it, and his answer led me to believe the money was stolen—I took the money to the Bank to enquire what I had best do, but whilst I was absent, he took the pantaloons and made it impossible to identify it, and by paying the price of the pantaloons and cost of this advertisement.
