GRAIN.—

Wheat.—The market continues to decline—the demand for Flour being limited, and very few of the City Millers being in the market as purchasers. In the early part of the week a sale of prime family flour white wheat was made at $1,60 and $1,65, and on Tuesday a parcel of good white was sold at $1.35. On Wednesday a sale or two of good red was made at $1,25, and yesterday another parcel or two of good red was also sold at the same price. To-day there were two large parcels of very prime red in market, but at the time we left it they were not sold. We quote common to prime reds at $1,20 a $1,30, although in the absence of positive transactions the last named rate must not be relied on as strictly accurate.

Corn.—Sales of white, up to yesterday inclusive, at 85 a 86 cents, and to-day at 84 a 85 cents. Sales of yellow yesterday and previously, at 92 a 93 cents, and to-day at 92 cents.

Rye—We quote common to prime Md. E. Shore at $1,05 a $1,09.

The subscriber has no desire to get customers by any appeals that he could possibly make, but requests the citizens to reflect one moment upon the impropriety and injustice of neglecting the mechanics of their own towns and supporting those of foreign places—Such a course will, in its operation beggar the mechanics of any town, no matter how industrious and careful they may be—and not the mechanics only, but the merchants who deal in those foreign articles also—Such is the undeniable tendency of such a course of business.

DR. W. EVANS'S

CELEBRATED

FEVER AND AGUE PILLS.

This widely-extended and most admirable Remedy for Fever and Ague, and other Fevers, which has already rendered such benefit, and proved a sure and speedy cure for the above named disorders, is particularly recommended to public notice.

On first feeling the premonitory symptoms occur, it is advisable at once to clear thoroughly the stomach and bowels: In no way can this be better and less inconveniently effected, than by taking a few doses of

DR. EVANS'S PURIFYING PILLS,

the value and well authenticated virtues of which medicine have been, and still are, too apparent to call for further comment. They tend to promote a healthy secretion of the bile, and render the system capable of receiving with benefit The Invigorating and Strengthening Pills.

DIRECTIONS ARE AS FOLLOWS:—

Take four of the Purifying Pills on the first accession of Fever, and continue the same number every other night, till with the additional use of the Invigorating Pills, a permanent cure is obtained.

Take three of the Invigorating Pills in the morning, three at noon, and three in the evening, on the days when the attacks do not occur.

☞ The attacks usually occur every other day.

☞ Price One Dollar a pack, containing both kinds of Pills.

☞ Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines.—Dyspepsia, ten years standing.—Mr. J. McKenzie 176 Stanton street, was afflicted with the above com plaint for 10 years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr. W. Evans.

The symptoms were—A sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and emaciation, depression of spirits, disturbed rest, sometimes a bilious vomiting, and pain in the right side, an extreme degree of langour and faintness; any endeavour to pursue his business causing immediate exhaustion and weariness.

Mr. McKenzie is daily attending his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He resorte to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of Dr Wm. Evans' medicine.

☞ An Extraordinary and Remarkable Cure.—Mrs. Mary Dillon, Williamsburgh, corner of Fourth and North streets, completely restored to health by the treatment of Dr. W. Evans, 100 Chatham st.

The symptoms of this distressing case were as follows: Total loss of appetite, palpitation of the heart, twitching of the tendons, with a general spasmodic affection of the muscles, difficulty of breathing, giddiness, langour, lassitude, great depression of spirits, with a fear of some impending evil, a sensation of fluttering at the pit of the stomach, irregular transient pains in different parts, great emaciation, with other symtoms of extreme debility.

The above case was pronounced hopeless by three of the most eminent physicians, and the dissolution of the patient daily awaited by her friends, which may be authenticated by the physicians who were in attendance. She has given her cheerful permission to publish the above facts, and will also gladly give any information respecting the benefit she has received, to any inquiring mind.

MARY DILLON.

☞ REMARKABLE CASE OF ACUTE RMEUMATISM, with an affection of the Lungs—cured under the treatment of Dr. Wm. Evans, 100 Chatham street, New York. Mr. Benjamin S. Jarvis, 18, Centre street, Newark, N. J. afflicted for four years with severe pains in all his joints, which were always increased on the slightest motion; the tongue preserved a steady whiteness, loss of appetite, dizziness in his head, the bowels commonly very costive, the urine high coloured, and often profuse sweating, unattended by relief. The above symptoms were also attended with considerable difficulty of breathing, with a sense of tightness across the chest, likewise a great want of due energy in the nervous system.

The above symptoms were entirely removed and a perfect cure effected by Dr. W. Evans.

BENJ. S. JARVIS.

City of New York, ss.

Benjamin S. Jarvis being duly sworn, doth depose and say that the facts stated in the above certificate, subscribed by him, are in all respects true.

A REAL BLESSING TO MOTHERS

Dr. W. Evans' Celebrated Soothing Syrup for Children cutting their Teeth.

This infallible remedy has preserved hundreds of children, when thought past recovery from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover.—This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, there is no appearance of teeth, one bottle of the Syrup should be used on the gums, to open the pores. Parents should never be without the Syrup in the nursery where there are young children; for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease by opening the pores and healing the gums, thereby preventing Convulsions, Fevers, &c.
