Distressing Accident .- A five year old son of James Carney, of Cumberland, Tuesday fell into a vat of hot water at Mayer's brewery, this place, and was badly scalded. His mother is here visiting the family of her fatherin-law, Andrew Carney, having come at the advice of the family physician for the health of an infant younger than the little boy. The one brought here sick will recover; the other, brought here well, will probably die.

School Affairs .- The Board met Wednesday, but owing to an error in the specifications contracts for building school houses at Pleasant Valley and Winchester bridge were not awarded. The bidders were requested to put in new bids for action at a meeting called for yesterday.

New school buildings will be erected at Rockville, in Lonaconing; Parkersburg, at Eckhart, and Allegany, near

W. C. Hocking, of this place, will have charge of the Barrellville school. The Lonaconing Review correspondent at this place "does not know a single large public school in the county that is not in the hands of men who can prepare boys for any college in the country, while the thoroughness and excellence of the training in the lower branches is unquestioned. I know that in our town the public schools have not given private schools a leg to stand on." So far as this concerns Frostburg our friend will find intelligent patrons of the schools

who flatly disagree with him. George Stern, son of our townsman, B. Stern, a lad of 13 years, attended the recent examination in Cumberland and made the maximum figure of 100 in arithmetic, and 95 in geometry. If
