MINING JOURNAL.

WEEKLY.

J. B. ODER, Publisher.

Frostburg, Md.....November 24, 1888.

ADDITIONAL LOCAL ITEMS

Real Estate Transfers.—Among those recently noted are the following:

Jacob Hansel to John Geis, lot 12, first addition to Frostburg, $987.

A. H. Boyd and D. W. Sloan, trustees, to Thomas Carr, a tract of land adjoining property of Salem and David Koontz, $385.

A New Paper.—The JOURNAL violates no confidence when it announces that a new paper will be started in this town about the 1st of January, next, by D. F. Orr, of Baltimore, and J. M. Zimmerly, of this place. It will be republican in politics. It is understood that Mr. Orr will conduct the editorial and Mr. Zimmerly the mechanical department.

Theatrical.—Tuesday evening next Al. G. Field's Operatic Minstrels will appear in Ravenscraft's Opera House. This company, always a fine one, is said to be better than ever. New acts, original ideas, novel features, catchy music, handsome costumes, superb singing and a dancing tournament comprise the salient features. George J. Conner sells the reserved seats.

Orphans' Court.—At the session Friday of last week John S. Miller, guardian to Mary M. Clark, settled his second account.

George A. Wingert, guardian to William H. K. Wingert, settled his ninth account.

David W. Sloan, administrator c. t. a. of Harrison Albright, deceased, filed an inventory of goods and chattels.

David W. Sloan and Thomas Connor, executors of William Beall, deceased, settled their fifth account.

School Affairs.—At the meeting of the School Board Friday of last week bids for a three-room schoolhouse at Midland were opened as follow:

Charles R. Allen	$1,800
J. D. George & Son	1,798
A. J. Willison	1,698
John Story	1,615

The contract was awarded Mr. Story.

The commissioners decided to visit Lonaconing during this week and in company with David Sloan, August Eickhorn and A. J. Clark, the trustees of the Lonaconing schools, will select a site for the new school building to be erected there.

Marriages.—Wednesday evening, November 21, 1888, at his residence in this place, Mr. DAVID H. POWELL and Miss JANE LEWIS, by Rev. William Haddock.

At the family residence of the bride, this place, Saturday evening, Nov. 17, 1888, by Rev. James Miller, Mr. JOHN T. HART and Miss ELLEN PRESTON, daughter of the late John Preston.

November 22, 1888, at the German Evangelical parsonage, this place, by Rev. R. W. Conradi, Mr. WILLIAM GUNTER and Miss MARY EBERLINE, both of Frostburg.

Tuesday morning, 20th inst., Mr. RICHARD WHITE and Miss CLARA CONROY, of Eckhart mines, in St. Michael's church with a nuptial Mass by Rev. D. C. DeWulf.

Religious.—Rev. A. G. Gekeler, of this place, assisted in the installation of Rev. Richard Fricke as pastor of the Reformed church, Cumberland, Wednesday evening.

Rev. D. C. DeWulf will go to St. Ann's in Garrett county, and Rev. J. J. Dillon will officiate at St. Michael's to-morrow.

The third quarterly meeting, M. E. Church, South, will be held to-morrow (Sunday, 25th inst.) Rev. H. P. Hamill, of Keyser, will represent the presiding elder, and preach at 10:30 a. m. and 7 p. m. The Sacrament of the Lord's Supper will be administered after morning service. A full meeting of the board of stewards earnestly solicited for Monday evening at 7:30.

Brevities.—Robert J. Burdette, now a Baptist preacher, has shown the brethren what sort of a convert he is. When a committee of Good Men expostulated with him the other day for writing for the Sunday papers he cheerfully consented to quit doing so if they would cease reading the Sunday papers. The proposition was strictly a fair one, but the pious brethren did not jump to it with any astonishing alacrity.

Consignments, late and prospective, of oranges from O. J. Moat's Florida grove will reach nearly two hundred boxes. This popular tropical fruit, as represented by Mr. Moat's output, is unusually large and luscious, and he finds out little difficulty in placing it on sale.

The B. & O. railroad time-tables on 4th page have been corrected. Before traveling they should be consulted.

A salesman in one of our wholesale stores caught a rat in a trap the other day and taking it out in the street to give it a chance to get away from a dog, was surprised to find that the affair attracted a crowd of thirty-four men by actual count in less than two minutes. It is evident that the people are getting down to business again after the election.

An editorial reply to the Lonaconing *Review's* article on "The Bond Question" is deferred until next week for want of room.

The house belonging to John L. Heintz, for some time past advertised in the JOURNAL, was sold Monday to James Welsh, of this place, for $600.

Now is the time to subscribe for the JOURNAL.

LOCALS IN MINION.

"Wings and Stings" is the airy, stinging title of another sprightly amusing book by Palmer Cox. It is one of the *Queer People* series, and similar to its companion, "Paws and Claws," of which we told you recently. This is one of the funniest and brightest books for youngsters we have ever seen. The illustrations are splendid and will make the boys and girls roar with laughter. The Boston *Budget* says: "*as a holiday book nothing could be more appropriate, since nothing could confer greater pleasure upon the little ones.*" The National *Republican* says: "*Every page is a picture and all the text music, a fountain of fun, never ceasing. It will make young eyes blaze.*" It will certainly be wonderfully popular. It is published by Messrs. Hubbard Bros., of Philadelphia, Chicago, and Kansas City, to whom persons desiring a copy or an agency should apply.

New Business Locals.

Is Consumption Incurable?—Read the following: Mr. C. H Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an Incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery, for consumption I would have died of Lung Troubles. Was given up by doctors. Am now in best of health." Try it. Sample bottle free at I. C. Lambert's Drug Store.

Croup frequently finds a household unprepared for its visit, while the rapidity with which it develops calls for instant treatment. For this dangerous disease Ayer's Cherry Pectoral is an admirable remedy. It saves many lives every year. Keep it in the house.

Electric Bitters.—This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Bitters sing the same song of praise. A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Bitters will cure all diseases of the Liver and Kidneys, will remove Pimples, Boils, Salt Rheum and other affections caused by impure blood. Will drive Malaria from the system and prevent as well as cure all Malarial fevers. For cure of Headache, Constipation and Indigestion try Electric Bitters. Entire satisfaction guaranteed, or money refunded. Price 50c. and $1 per bottle at I. C. Lambert's Drug Store.

GRAND OPENING

—OF—

CHRISTMAS GOODS!

I DO not propose to bother the public weekly with a lot of bogus bills, telling them that I am giving goods away for nothing, etc., which I believe no one can do and live by it. My motto is to buy goods and sell them at a living profit. People buying Candies of me need have no fear of their families being made sick, for I do not sell cheap, trashy stuff made of glucose, grape sugar and all other poisonous ingredients injurious to health, as some do and call it candy. The public is cordially invited to attend the **GRAND OPENING**, as I will exhibit one of the largest and

FINEST ASSORTMENTS OF

HOLIDAY GOODS

Ever shown in this county.

Bring or send all your children, as this will be a grand treat for them to see. Santa Claus will also be on exhibition, as well as other curiosities, to gladden the hearts and bring smiles to the faces of both young and old.

In conclusion, I would say that every purchaser of One Dollar's worth of Toys, Confections, etc., of me will be presented with a ticket which will entitle them to a chance in a

45-DOLLAR MUSIC BOX,

to be drawn for on a date to be made known, and which is now on exhibition at my store.

Thanking my many friends for past favors and soliciting a continuance of their kindness in the future, I am respectfully,

G. H. WITTIG,
Main street, Frostburg, Md.

The Grand Opening took place Thursday, Nov. 15, 1888, at 6 o'clock p. m., and will continue until Dec. 25.

READ THIS CAREFULLY.

HAVING returned from the East with the largest stock of

CLOTHING

For MEN, YOUTHS, BOYS and CHILDREN, GENTS' FURNISHING GOODS, such as Cloths, Cassimeres, Polo, White and Fancy Shirts, Underwear—White, Grey, Scarlet, Fancy, Natural Wool and Camel's hair; Neckwear, Silk Mufflers and Handkerchiefs, Half Hose and a full line of the celebrated **WINCHESTER Gloves, Hats, Caps, Trunks, Satchels, Carpets and Oil Cloths,** and all these goods being now in perfect shape and condition, it affords me pleasure to extend an invitation to all in want of such merchandise to call without delay and examine

Qualities and Extremely LOW PRICES.

I am safe in saying none will leave my store without being fitted with the best goods for the least money ever offered to the clothing buyers of this town and vicinity. These goods have all been bought for cash and will be sold for cash, which system talks for itself every time, and don't you forget it?

As an extra inducement to persons buying goods of me I will give a ticket for every $5 purchase which will entitle the holder to a chance in—

1 Gents' Gold Watch, worth..... $125
1 Ladies' " " " 100
1 double-barreled Shot Gun, w'th 40

to be drawn day after New Year, of which due notice will be given through the Frostburg MINING JOURNAL and Lonaconing *Review.*

THERE is urgent need of a popular awakening to the fact that wilful neglect of the health of any portion of the body is criminal, and such neglect differs only in degree from suicide. There are many cases in which extraction is necessary, but there are thousands of Teeth sacrificed through impatience and failure to secure professional advice.

It has been my study for years to preserve and beautify these organs that Nature has given us, and I have repeatedly placed myself in a position to know that I can guarantee my patrons the
