Talbot County [original]

Conceiv'd I might do the same. Mr. Freeman says, that
some time ago, Mr. Nichols inform'd him, that he must see
me and talk with me about cutting out so far, that he was
fearfull I might be on him, as the lines was unsettled.
I have frequently seen Mr. Nichols since that, and he has
never said a syllable to me on the subject, Neither has his
Overseer through him forbid my cutting that far — I shall
be thankfull to have Notice a few days before you come up
to get your Lands run Out, that I may be in place, so as
to render any Assistance that be in my power —

I am Honorable Sir
Your Obedt. Servt.

William Loveday

P.S. Mr. Freeman
did not incline to give
a Certificate —
