I can find no Deeds from Maude to Grundy or Muel
A part of Rich Range was Conveyed by William Alnut to
Dan^e Maude in 1712

no Deed to be found from Grundy to Tiffings.
Can find but one Deed from Taunthorpe to Hardcastle
have directed a Copy of that and his Deed to I Turner.
the other Cops order and two or three more in Addⁿ
will be ready on Thursday - Send money to pay
for them so says the Deputy Clerk

John Turner says the Land he Claims in the Forks
of the Mill pond descended from Tiffings to Rich^d
Tom Thomson who devised it to his son Richard
who left it to an only daughter who married
one Sheriff and who with her husband found
in a Deed to Abner Turner -
William Hayward is not Assesed with any part
of Smiths Cliffs.

The Lands to the Southward and Eastward of Holme
are now possessed by Thomas Lerveton ~~Call~~ Matthews
Freeman. John Veckers and Richard Harrison their
Lands are Called Dudley's Chance Kimp's Discovery
Moorfields Buckby Sibbon and Sibbon Addⁿ.

Horse point appears to have been Assesed to
John Hardcastle and named in Taunthorpe's Deed
to him

Rep^t Barrow informs me Young Hard
Castle has been enquiring the Heirs of the Wooters

phil^r & Jacob purchased some hill
5 years after the Will of their father
and 12 years before the Division
all from the same Boundaries &
same times

Mr Nicols has no deed that will
Cover one inch of Royd Escheat
Jacob Wooters ^{deed} of Smiths Cliffs
how Mr nicols came under will
not cover any part of the Escheat
this land is surveyed & laid
Down the road tract according
to law & Justice went thro^{gh}
the exa^mination then laid
Before the Chancellor with all
the papers & platte & a caveat
was entered by Mr nicols after all
this a patent issued at
that session

Richard Wooters sells 26 a of his part to William Tiffings
and the Remainder of his land to Mr Grundy 252 ac
