Ho Rep Dec 19th

Dr Spencer

I understand that
you are in Annapolis, and having
heard it suggested that my name would
probably be used as a director on the
part of the State for the E S R Road
I must ask the favour of you to
inform the Legislature (provided it should be
necessary) that I do not wish the appoint
ment, as there are reasons growing out
of my present situation which bad
me not to desire the appointment and
which would forbid its acceptance.
My friend J F Jones or Lee &
E Jones would much better be substituted
We have -- or a very able argument
from N -- steps of the principle for the
