Balt May 7th 1835

Dear Sir

I recd yours, and would have answered it at once If I could have known that Lady C was broke down, but as it was mere rumor, and contradicted by some I did not know how to act until I got information from her Trainer which I have now got saying that she had given way —

If you wish her sent to Rose I will forward any Instructions you may give about her —

Yrs Respt fully

J W Loudon
