Mr John R. Emory
Dr. Sir

Allow me to call your attention to the subject
of the per cent of your family - At a meeting of the
Meeting they voted the rent of the per fire dollar - which will
reduce the amount due on it from the 1st Oct. 1842 to the
corresponding period of the past year to the sum of twenty
five dollars - Please inform me if it comes within the province
of your duties to attend to it - And if I am right in supposing
that it does, let me ask its payment at some early day,
as collections are with great difficulty made - And the Minister
- too is subjected to great inconvenience of it - Please let
have an answer at an early day -

Resply.

Yours Obedt.
