

than a year since on the 14th like
last and fell in the night after you
left - I know the other two and Brown as
the case him is going to make the small
dog in the country - I believe had not yet

received - and I have been in a good way about
Brown - whether I should have been over to Muller
or not - The paper that was killed is the one you
delivered for me - I have concluded to keep Brown
until I hear from you - All with love to the
children - With me love -
