

Dated. 20th Sept 1846.

Mr. John Emery

Sir.

I wrote you some time
since respecting the claim Mr. J. M. Turner
& myself had for the \$500. which the C. Col.
of your Father sold for not having paid
from you on the subject. Mr. Turner. asked
me yesterday to address you again.
stating you were attending to your
Brother William's business during
his absence & would no doubt attend to
this. The last conversation I had with
your Brother, he stated the horse had
not yet been paid for. but this
now I understand is not the case &
that he has been paid for some time
since,

your attention to this
will greatly oblige
both Mr. Turner
& myself.

Respectfully Sir
Yours &c &c
J. W. Howard
