Dear Sir

Hoping that you may be disposed to review your Conclusion in regard to the proposition to select two Judicious and impartial Men to Value the Ripe and Mature timber on the Pelican Grove Estate which may be subject to Sale by the Exors of Jno Fatton, to be taken by you at said Valuation, I again invite your attention to it— The reason for this is, that Jno Wilton Frederick is expected down to be in Md and he would be glad to know that some progress is being made to the final adjustment of the matter— You have as large if not larger interest in the speedy settlement of that portion= =icular trust in the Will than any other person and altho as you remarked to me two such men might make an Ovaluation yet it is scarcely probable that their estimate would differ Considerably from the true mark— Certainly there seems to be an even Chance that the Valuation would be below as that it would be above the fair value— Before taking any steps in behalf of Jno Wilton Frederick to enforce the Execution of the trusts of the Will in the disposition of the Ripe and mature timber, I Considered that it was proper and a part of my duty indeed, particularly as it was a matter in=
