

And if "Albe" should add the
two other disturbers he will have
done at least some good -

They say the grand advance
is soon to be made, the present
is an opportune moment, the
need in Virginia, on the Manassas
front, is not more than the rebel
deep, and heavy artillery can
be more readily transported than
in October! - Wasn't I right, you
know, are in Bermuda; The Repub-
licans hoped they had gone to "Davy
Jones". With hope that before long you
will be enabled to make us a visit
Yours most sincerely
