

Dear John -

I enclose you a letter I got
from Turner on Wednesday last - you
will see what he says about Sambo -
if you determine to let him train
him he ought to go over on Monday.
I made an engagement with H C Tiffney
~~a week ago~~ to come up here with
him - or I w^d have been to P. G. to see
William - I was in hopes of seeing
him at Worcester Friday or Saturday -
I hope he will be down before he
goes over to spend some days. I wrote
to hear from Tom that he was quite
unwell on Friday - My love to all
we shall have here this evening -
