

Dr Sir

Mr Coe is attend the Levy
Court on Saturday to settle the Act
of the late John Todd & we wish
you to attend. You were so good^{as} to
offer to be one of my Sureties to remove
my case with Doct Warren to the
court of Appeals I also wish you
to attend on that Act. as its a heavy
claim I intend to place \$1000 in
each of my Sureties bonds to remain
until its finally determined & in addition
to my outgo real estate sufficient to
pay the whole Debt in case it should be
against me this I do through choice
as I should ~~lament~~ my Sureties having
no moments remaining Mr Car-
mechanics has looked well into the case &
gives me every assurance I shall in
the end succeed entirely If convenient
I should like to hear from you immediately
on your arrival home & state whether
or not you will be out

Yours &c
