

Philadelphia April 25-1862

My Dear Sir

I have to announce to you
the death of our venerable comrade, of whose
dangerous position you better must have apprehended
you - the greatest his but at about 18 years
last night - for the great physician upon whom
was the fate of our rights and liberties
of some days there a few years this time
with my best regards

Wm Lloyd Garrison

John Thompson

P.S. The funeral takes place on Wednesday afternoon at 4 o'clock
