

Dr. hi

Be pleased to credit Mike  
Thomas's account with 12 \$, and  
charge me with the like sum on  
his account. He worked for me last  
winter, and before, and I promised this  
should be done.

I owe Mrs. Maxwell for hire  
of a negro man last year, which I  
will settle with you if agreeable.  
I have written to him to this effect.
