

Dear Sir

I feel myself under
Renewed obligations for this last
proof of your kindness - & shall strai-
tly adhere to what you have advised
in your letter. Indeed I feel quite at
a loss how to Express my gratitude for
your kind attentions - which in the
present Instance has guarded me again-
st a Difficulty that might have been very
Disagreeable - but yet it has given me
additional uneasiness & am fearful that
my claim is in Danger of being lost if
as his Land is the only property he has
worth naming the claim is upward of 2000
